Dedication

I dedicate this book to my parents, especially my mother who taught me to pray and fast at an early age; she also taught me how to recite the Quran in my childhood, and my father, who fed me with his halal earnings and provided me good education overseas, O Merciful Allah, forgive all their sins and make me on going charity for them. Ameen!

Preface

I seek Allah's protection for myself, my family, my relatives, and all Muslims from the Satan's troika of Dajjal, Gog Magog and leaders of the slave nations. This troika is adamant in forcing humans into the worship of Lucifer (the accursed Satan). The consequence of following Satan directly or indirectly will lead humans to the Hellfire. I seek Allah's forgiveness for myself, my parents, my family, my friends and all Muslims, and I beseech Him that He ordains for us that we die as solemn Muslims and makes us from the dwellers of His Paradise. Ameen!

I will try to illustrate to the best of my understanding Satan's enmity towards humans. You can differ with my opinions on all the subjects, and I will be grateful if you will send me your point of view. I will then discuss Dajjal (**the deceiver and a liar, the Anti-Christ**) whom Allah has created as an extreme test for humans. The temptations of the Dajjal are extremely horrific and full of unimaginable deceits, which would lead most humans away from the chosen path. That is why all prophets in all ages warned their followers about Dajjal.

I will also discuss the targets that he has set for himself and elaborate on his achievement so far. I will also discuss Gog and Magog and how they conquered the world and plundered its wealth, killed large number of its animal and human population, especially in the four continents, namely North America, South America, Africa and Australia. These ruthless killers not only killed its human populations but also looted the assets of all the continents other than those which encompass Dajjal's paradise.

They tactically withdrew after having installed puppet governments in the countries they conquered. Their system has engulfed the world with injustice and chaos. They are still sucking the assets of these slave nations via their installed puppets. They have made our world a place of cruelty, injustice, and chaos. The slogan of the satanic troika is “One World, One Government, One Currency (electronic currency which can be easily withdrawn from the accounts of those suspected of resisting them), One Army and One Religion (based on the worship of Lucifer). May Allah protect us from this troika and keep us steadfast on Islam (submission to one Lord).

Finally, I will discuss the tough times ahead (which is ongoing) for the Muslim Ummah. Insha-Allah, Allah will end the satanic troika’s reign of terror and help the Ummah to rise once again under the leadership of Imam Mehdi and later under the leadership of Prophet Jesus(AS). Prophet Jesus(AS), with the help of Imam Mehdi will become the ruler of the entire planet for forty years until his demise. Jesus(AS) will break the cross, kill the pigs, finish jizya and achieve One World, One Government and One Religion (i.e. worship of the one true God).

After the demise of Jesus(AS) the final countdown for the End Times will start, the time frame of which only Allah knows. The final major signs will occur before the Dooms Day which will engulf the entire universe. Prior to the Dooms Day Allah(SWT) will send a warm breeze that will collect the souls of all the believers so that they may not face the torments of The Hour.

We must remember the End Times signs which Abu Huraira narrated in Mishqat (vol. 3, page 34 hadith 5229/2) mentioned in

Muslim, **Ref#1** so that we may mend our ways before the occurrence of these signs. The signs are:

- 1) Turbulences that will be common i.e. calamities and hardship that will engulf majority of the population. (It is already here)
- 2) Turbulences that will be specific to individuals. Those individuals who will raise their voice against the suppression will face tough times in the system of Gog Magog. (Prisons are full of such people)
- 3) Smoke.
- 4) Dajjal.
- 5) The beast.
- 6) Sun rise from the West.

May Allah(SWT) protect us from the deceits and hardships of Satanic Troika. Ameen!

In need of supplications

Who is Satan (Lucifer)

Who is Satan? Certainly, he is not a metaphor as some people think. Many hadiths and references from Quran affirm that Satan is an actual being, whom Allah(SWT) created from the Jinn kind. Allah(SWT) created the Jinn (devil) kind from smokeless fire with extreme strength, thousands of years prior to the creation of Adam(AS). We can envisage the strength of these jinn (devils) from Quran, when Prophet Sulaiman(AS) asked the Jinn to bring him(AS) the grand throne of Queen Sabah from Yemen to Jerusalem. One of them said that he can bring the throne before Sulaiman(AS) could sit and the other one who had the knowledge of the book said, he can bring the grand throne before the blink of his(AS) eye, and he did (27:39-40).

The Jinn created lots of mischief, havoc and bloodshed on the earth. Allah(SWT) ordered the angels to banish the Jinn kind from the mainland, towards the islands. This in my opinion was to pave the way for humans to become the Viceroy of the earth. Satan was then a very pious Jinn, he requested Allah(SWT) that he may be allowed to assist the angels in banishing his kind from the mainland, which was granted to him. Satan fought against his kind and was made the leader of the angels (Jewish folk tale).

I would like to negate the concept in Christianity that says that Satan is a fallen angel. This is false; angels don't have free will like Jinn and Humans. They only obey what they are commanded, and matter of disobedience never arises. Similarly, some people will raise a question that Satan who is made from fire, and when he is put into the Hellfire, the fire will not hurt him. I can only say when flesh can hurt

flesh then God willing Hellfire will certainly hurt the Jinn who will be the dwellers of the Hellfire.

Coming back to the subject, Satan after becoming the leader of the angels got infected with pride and thought that he has done a great honour for his Lord and forgot that Allah(SWT) is All Powerful, All Knowing and has to only say happen, and it happens. Sending angels was nothing but a test. Allah(SWT) further devised a test for Satan and told the angels as mentioned in Quran: *And when your Lord said to the angels: "I am going to place a caliph on earth". The angels said "Will Thou place there one that will make mischief and shed blood while we sing Your praises and glorify Your name?" Allah said: "I know what you know not (2:30)."*

Allah(SWT) further said to the angels that after He has completed it and blown in his soul, then all of you should prostrate to him. Satan who thought he was now someone special became jealous of Adam(AS). When Allah(SWT) ordered the angels and Satan to prostrate to Adam(AS), Satan refused to bow to Adam(AS) on the pretext that he was superior and thus became accursed.

The difference between the attitude of Satan and Adam(AS) is that Satan after disobeying Allah(SWT) did not repent but instead became more arrogant and blamed Allah(SWT) for leading him astray from the right path as mentioned in the Quran. Satan said: *"O my Lord Give respite till the Day they are resurrected."* Allah said *"respite is granted to thee, till the Day of the time of appointment."* Satan said: *"O my Lord! Thou hast put me in the wrong, I will make disobedience attractive to them on the earth, and I will put them all in the wrong, except Your servants among them sincere and purified by Your grace"* (15:36-40).

Satanic behaviour is being arrogant, disobedient and unapologetic, which Allah dislikes. On the other hand, Adam_(AS) and Eve after having been deceived and tricked into eating the fruit of the forbidden tree, and as a consequence banished from the Paradise, humbled themselves and started repenting to The All-Mighty until He_(SWT) forgave them. Humanist behaviour is being humble, obedient and remorseful, which Allah likes.

Satan in his arrogance and anguish requested Allah_(SWT) to give him life till End Times, as mentioned in the above verses. This was granted to him, probably because Allah_(SWT) wanted to test the progeny of Adam_(AS), to distinguish between the ones who will be righteous and believe in the unseen, and the ones who will reject the truth. As Allah_(SWT) is All Knowing, He wrote down everything that was to happen in minute details in the Book of Predestination, even before creating the jinn kind and humankind. This whole exercise of worldly life is a test to remove the objections of would-be perpetrators.

I will try to explain it with an example. Suppose a class teacher who can forecast from his observation, his brilliant students who will pass, as well as careless students who will fail, and if that teacher decides not to take the exam and instead pass or fail them on the bases of his intuition. Those who passed will be happy, but those who failed will object and insist that they would have passed the exams.

Satan after failing the test and attaining life till the Day of Resurrection from Allah_(SWT), supplicated to Allah_(SWT) to grant him powers to enable him to entice the children of Adam. He requested Allah_(SWT) four times and every time he was granted extra powers.

Powers granted to Satan

- a) He was granted power to entice the children of Adam(AS).
- b) For every human child born a satanic devil will be born, who will be the child's partner, enticing him to sin.
- c) Allah allowed the satanic devils to enter the body of humans and play with their minds.
- d) He(SWT) allowed the Satan to gather his armies and attack humans with deceits, and lure children of Adam with false promises of this world and the hereafter. Allah says that the promises of the Satan are nothing but a mirage, a delusion, a facade and nothing but lies. The Satan attacks us with human devils assisted by Jinn devils. The human devils are cause of extreme suffering for the children of Adam. The human devils constitute mostly of the leaders of Dajjal's states, and the leaders of slave nations and their followers. They have massacred more than six million Muslims in the last decade. None has levied worst calamities, genocides, sufferings and unrests on humans other than the human devils.

After receiving the powers, Satan swore by Allah's Grace that he will lure all His servants to follow him except the few Allah will guide, and that he will mislead them and entice them with vain desires. On his command they will slit the ears of their cattle and on his command they will (**genetically**) modify his creations: (Quran 4:119). In return Allah promised that He will fill the Hell with him and all those who followed him.

The four promises of Satan are:

1. Satan promised that he will lead humans astray.

If we look at vast majority of humans, instead of becoming the servant of Allah, we have become the servant of Satan. Satan will continue to put all his efforts in misleading us and will not let go until we meet our Lord (die). It is narrated in a hadith that Satan will come to us on our death bed when we are about to die. Devils will come to us disguised as our mothers, or fathers, or husbands, or wives or teachers etc. who have passed away. He will say son don't die on Islam; it is a false religion. Astaghfirullah (seek Allah's forgiveness).

O' Allah, don't let us perish and be from the people of Hellfire. O' Allah, we cannot comprehend on what path Satan will lead us on our last journey, unless You bless us. Allah tells us that those who stayed steadfast on the religion of Islam in the world will stay steadfast in the Hereafter. They will reject the Satan's alluding and bear witness to Allah's oneness and die as solemn Muslim. O' Allah, destine for us to be steadfast on Islam and die bearing witness to Your oneness. Ameen!

2. **Satan promised that he will give us false desires and passion.** False desires and passions can be divided into two categories.
 - a) **Carnival desires.** Desire for illegal lust, look how our societies have succumbed to the wishes of Satan. Today our societies are sex driven societies. They say it is physical thing, where else Islam says it is a spiritual thing. When husband comes to his wife and recites a dua which is the first right of the child to be protected from Satan. Those of us who won't yield to the carnival desires, on the Day of Judgment they will be one of the seven groups of people who will be under the shade of

Allah's Throne. O' Allah, protect us from all major sins. Ameen!

b) Desire for Worldly life.

Satan deceives us by nurturing false hopes in the fleeting attractions of this world. He seeks to make worldly life the sole purpose of our existence, diverting us from reflecting on the true reason for our creation. If we look around, we can see that his promise has indeed come to pass: televisions, computers, videos, satellite channels, mobile phones, and the internet consume hearts and minds alike. Through these distractions, he fills our hearts with empty aspirations until death overtakes us. Yet on the Day of Judgment, Satan will disown all responsibility and declare: **“Do not blame me; blame yourselves. I called you, and you responded.”** O' Allah, have mercy!

3. Disfigurement and Distortion

Satan promised that he would command people to slit the ears of their cattle, that is, to disfigure what Allah created whole. The polytheists of Makkah fulfilled this promise: they slit the ears of their livestock and released them in the name of false deities. If such an animal fell dead, it was declared permissible for men and forbidden for women, based on invented beliefs with no divine authority.

Satan promised that he would command people to mutilate their cattle, that is, to disfigure what Allah created whole. The polytheists of Makkah fulfilled this promise: they slit the ears of their livestock and released them in the name of false deities. If such an animal fell dead, it was declared permissible for men and forbidden

for women, based on invented beliefs with no divine authority.

Look around today and reflect on how creation continues to be disfigured, both animals and human beings alike, in defiance of the natural order set by Allah. This is yet another manifestation of Satan's deception. Turn back to your Most Merciful Lord. **O' Allah, don't let go of us, help us walk your way. Ameen!**

4. Altering the Creation of Allah

Satan promised that he will command us to change the structure of the creations of Allah. Today after discovering the genealogical code, we are changing the creations of Allah. We have GMO food produced by injecting genes from another species. Men are trying to look like women and women are trying to look like men. **Astaghfirullah!**

Satan leads people toward disbelief and polytheism through well-known means mentioned in the Quran and Sunnah.

To fulfill his promise, Satan commands an army from among his progeny, devils from the jinn and from humankind, who inspire one another with deceptive speech to mislead the children of Adam (Quran 6:112). He leads people astray by casting doubts about Allah and His signs, beautifying the fleeting life of this world until it becomes the ultimate pursuit (3:14; 6:32), and pushing them toward excess and imbalance, though Allah has made this ummah a just and moderate community (2:143). He further entices them with false and twisted reasoning to justify sin. Allah says: **"When they commit an indecency, they say: We found our fathers upon it, and Allah commanded us"** (7:28). On the Day of Judgment, Satan will disown his followers, saying: "I

only called you, and you responded to me” (14:22). Protection from his deception lies in seeking refuge in Allah (16:98), remembering Him often, and following the balanced path and example of the Prophet(SAW) (33:21). Satan entices human beings toward disbelief and polytheism through several primary means:

1. **Casting doubts about the Creator**, weakening certainty in Allah and His signs.
2. **Glorifying worldly desires**, presenting fleeting pleasure as life's main goal.
3. **Inducing extremism**, pushing people toward excess, imbalance, and rigid logic devoid of wisdom.
4. **Encouraging absurd or deceptive arguments** to justify disobedience to Allah.

Thus, those who respond to the Satan’s call only deceive themselves. Protection lies in remembrance of Allah, adherence to revelation, and following the balanced path of the Prophet(SAW).

The Satan blames humans for the trouble he is in. I will try to explain this with an example. Suppose two sisters lived in a house. One sister was on a phone; the other sister forces her to shut the phone. The sister on the phone later gets in trouble with her parents. She puts all her blames on the other sister, thinking she is in trouble because of her, and starts hating her.

Similarly, Satan hates us for his misdoing. Quran mentions: (Satan said) “I will come to them from the front and from behind and from right and from left and You will find that most of them are ungrateful” (Allah said) “Get out

therefrom, despised and defeated. Those among them who follow you, I will fill the Hell with you all” (7:17-18).

To achieve his promise of leading mankind astray, Satan will confront us from the front and will induce doubts in our minds about the Creator. He will confront us from behind with his whispers encouraging us to have hope in this worldly life. He will confront us from right and create doubts about the Hereafter, and he will confront us from left encouraging us to sin. He has brought humans at a crossroad with his dictators (satanic Pharoah etc.), where we humans are creating more havoc and murders than the Jinn kind.

Umar Bin Khattab while giving the definition of taghut (dictator) said that taghut is Satan. This category includes secularist, nationalist, hypocrites and all types of apostates.

Question comes to mind, why Allah(SWT) gave respite to Satan till End Times. **Reasons could be as follows:**

- 1) Allah answered Satan’s prayer to give him life till End Times.
- 2) It could be his reward for his thousands of years of worship and obedience.
- 3) It could also be that Allah wants to continuously increase his sins so that he may face the worst punishment.
- 4) He may have been left to be an ally of those who want to do evil.
- 5) It shows Allah’s mercy till the End Times (by forgiving us every time we repent).

The second question that comes to the mind is regarding the wisdom in the creation of Satan? **Reasons could be:**

- 1) Fighting Satan and his disciples helps us to improve our love and our relationship with the Creator.

- 2) There is an important lesson in the story of Adam_(AS) and Satan (it distinguishes between those who are arrogant and those who repent and humble themselves).
- 3) As stated earlier, Satan is a test for the believers, to enable us to embed His colours (mercy, humbleness, forgiving etc.) in our character. **While Satan calls us towards arrogance corruption, treachery, disbelief and polytheism. Allah calls us to be monotheist, to be loving, caring, humble, honest, forgiving, grateful and charitable. Subhan-Allah!**
- 4) It shows the ability of Allah to create the opposites.
- 5) Allah shows us His patience in the matter of Satan.
- 6) The signs of Allah become clearer to us.

The Satan due his extreme hatred for the mankind has made it his mission, to mislead humans from the chosen path. We should keep in mind that we are fighting an enemy who knows he is going to the Hellfire; whereby he wants to take as many of us with him to the Hellfire as he can. We should treat him as our enemy number one and seek Allah's protection from his deceits. **Satan and his troika (anti-christ) are planning to depopulate the earth by more than ninety-three per cent to achieve their goal of one world, one government, one currency (electronic), one army and one religion.**

In history one period has passed when Satan was able to lure all mankind in disobeying the Creator, our Loving Lord. And that period was during the era of Nimrud, at that time there were no monotheistic believers, until Allah_(SWT) the Most Merciful sent Abraham_(AS) to guide humanity to the right path and save the saveable souls from the Hellfire. That is why Abraham_(AS) is also called the father of all the later prophets. It is Allah's blessing that He sent nearly one

hundred and twenty-four thousand prophets for our guidance in all ages, and in all nations to warn them about Satan and his deceits, and the consequences of following him.

Some people think that Satan is very genius, very powerful and a competition for Allah(SWT). They should read that small portion of the Hadith-e-Qudsia no. 2577 in Sahih Muslim in which Allah says “O my servants from the first of you till the last of you, the human of you and the jinn of you were to be as wicked as the wickedest heart of any one man (Satan, anti-Christ) of you that will not decrease My kingdom in anything.”

Satan induces arrogance in people like Pharaohs, who in their arrogance think they are gods. Pharaohs of modern times are people like Bush, Hosni Mubarak, Gaddafi, Bashar-ul-Assad etc. who act like gods, **no, rather like Satan, because the God is extremely merciful.** Satan even made the Majosi king Shaddad of Persia build his own paradise. He built his paradise in the most beautiful valley of his country (created by Allah) with extremely beautiful women (creations of Allah) residing there as sex slaves.

When he went to visit his paradise, and as soon as he set one foot inside the gate of his paradise, the angel of Death took away his soul to be the dweller of the Hellfire. **How regretful!** Remember this world is an examination hall, we will be tested with calamities, and we will be tested with sustenance to induce in us the colours of Allah(SWT). To pass this test we must read the **Holy Quran** with understanding. It will protect us from falling prey to the ploys of Satan. Most humans have been led astray by the electronic media, film industry and print media controlled by the troika.

God willing, they will not be able to convert all, as Allah will send Imam Mehdi and Jesus Christ(AS) to rescue us from these disbelieving tyrants (dictators). Thank you, Allah, for Your mercy!

O' Muslims to save our souls from the tests of this Troika, recite first ten verses of Surah Al-Kahaf daily and whole of Surah Al-Kahaf on Fridays regularly. Seek Allah's protection from the accursed Satan for there is no protection except with Him. O' Muslims stay mindful of the footsteps of the accursed Satan. He will lure us from the right path with sugar coated truth and undetectable small steps in the wrong direction until he has put us on the opposite path. Let's hold on to Allah's rope of guidance the Quran and study it with understanding. This is the only protection we have from the footsteps of the accursed Satan.

Adam(AS) heard the supplication of Satan and prayed to Allah and said, "O' Lord, You have given Satan so much power and authority over me, so what will You give me O' Allah". Adam requested Allah's protection four times and was given respite four times. In return Allah promised him four things. They are:

- a) Allah said that no human child will be born without two angels guarding him. Two angels who will write his deeds and one who will whisper in his ears to do good deeds. The Jinn devils cannot harm us because two angels are guarding us from them. It has always been the human devils, assisted by the jinn devils that lead us astray to the harm way.
- b) Allah promised Adam that for every bad deed He may forgive or write only one bad deed. For every good deed He will write 10 to 700 plus good deeds.

- c) Allah promised His door of forgiveness will stay open till the soul starts to depart from the body.
- d) Allah said, do not despair or have doubts about My forgiveness. For I forgive all sins. This is something for us to rejoice. **Thank You O Allah!**

Remember, Allah has not created us to punish us. He loves us seventy folds more than our loving mothers. He cares for us and wants us to be in the Paradise. To please Allah, we should try to attain the four stages of Iman (belief). On the other hand, Satan with his extreme hatred for humans will try his utmost that we don't even achieve the first stage.

Four stages of belief are:

1) Quest for the truth

Satan with his ploys and deceptions will try his utmost that humans stay gripped in their desires and assumptions and stay oblivious of the consequences. He will try his utmost that the thought of searching for the truth never crosses our mind, and unless someone has the urge to search for the truth, he will never embrace Islam (Allah only guides those who seek guidance).

In Surah Al-Kahaf Allah tells us that a person who is oblivious of the consequences of doing wrong will stick with his wrongs, because he thinks what he is doing is right. That person is in extreme loss, because when one thinks he is right he will not repent and when one does not repent, Allah does not forgive. Prophet(SAW) used to repent minimum 100 times a day to Allah(SWT). We should repent more often to Allah(SWT) and seek His guidance.

2) Receives guidance from Allah

Those people who long for the truth will receive the guidance from Allah. Allah says in Quran that He only guides those who seek His guidance. We should always prostrate to Allah and beseech Him for His guidance.

3) Staying steadfast on Allah's guidance

Satan will try to divert our attention from the guidance so that we never stay steadfast on it. When one who has received the guidance and stays steadfast on Allah's commandments in calamities and pleasures, Allah(SWT) will be pleased with him, and make him His friend.

4) His heart will be captivated

When one stays steadfast on Allah's guidance his heart will be captivated with love of Allah and the impact of that love is so strong that he will not hesitate to kill the enemy of Allah in a battlefield, even if the enemy is his own father or son. May Allah captivate our hearts with His love and love of His religion? Ameen!

Similarly, there are four stages to kufr (rejection). Satan is pleased when someone achieves the fourth stage of kufr. He can then rub his hand and say mission accomplished.

Four stages of disbelief are:

1) Suspicion

When suspicion is aroused in someone's heart by Satan, that heart will reject the truth and will not yearn for the religion of Allah.

2) Debating to refute the truth

When one is sceptical of the truth, then with passage of time he will not only refute Allah's religion but will debate to renounce it.

3) Quarrel against the truth

When one refutes the truth and gets engrossed in it, he will get aggravated with those who call people towards Allah's guidance and will try to use force to stop the spread of Islam.

4) Heart is stamped as disbeliever

When one regularly squabbles against the truth, it is than that his heart will out rightly reject Islam and will be stamped as disbeliever. That heart will never accept the guidance.

People who are gripped in the ploys of Satan will argue that it is unfair to punish someone whose heart has been stamped as disbeliever, because he cannot receive guidance. I will negate their objection with an example:

Suppose a person goes to his doctor for check-up. Doctor tells him that he has cancer and it is in its initial stage, which is curable, and that he should have it treated. That person ignores the warning.

Sometimes later when that person revisits the doctor for his check-up, the doctor warns him that his cancer has progressed to second stage, and he should not neglect his condition and tells him that it is still curable. He again ignores the warning and keeps his way. After a while when that person again revisits the doctor for his check-up, the doctor warns that person once more that his cancer has progressed to third stage, and that now the treatment will be difficult and extremely expensive, but it is still curable.

That person still ignores the advice, and the cancer progresses to the fourth stage where it is incurable. When that person now goes to different doctors and all the doctors tell him that at this stage your disease is incurable and you are going to die.

Can the doctors be blamed for telling him that his disease is incurable and he is going to die? The answer will be no. Although occasionally miracles happen, but with Allah he is never wrong. He knows the heart that has been stamped will never accept the guidance. Stamping is a figure of speech and not actually stamping of the heart. Our merciful Lord always leaves the door open for the strayed humans and Jinn to turn back to Him. He knows who will turn back to Him and who will not.

Similarly, those who are gripped in the ploys of the Satan out of ignorance will say, if Allah has predestined (Qadar) for them to go to Hell, then their punishment is unfair. Those who say this really don't understand what predestination is. Predestination can be phrased as follows:

Predestination is not a script for a person to follow rather it is the written detail account of the actions of that person by Allah, the All Knowing and All Seeing in Loh-e-Mafooz. Tests will be from Allah; choice of action will be ours.

I will try to clarify my phrase with an example. Suppose two people watch a person waking neglectfully at a distance oblivious of the trench in front of him. They deduce that that person will fall in the trench and hurt himself. If that person stays neglectful, he will fall in the trench, their presumption will turn out to be true, and if he realizes the danger and escape from falling in the trench, then their presumption will be wrong.

Where else, Allah the Knower of the Unseen is always right. He knows the future in tiniest details. Tests will be from Allah, and the choice of action will be ours. An incident happened with scholar Deputy Auditor General Malik Murtaza that will explain predestination even better. According to him in 1971 he was sitting in his office when a

magician Mr. Sheikh Sadiq came to see him, and he unfolded a paper on his table in front of him. It had forty squares with names of objects on it.

The magician asked him to place his finger on any square or write it down on a paper. He then picked a piece of paper jotted something on it and placed it face down on the table. Malik Murtaza asked him, what that was. He told him that he has written down the object he is going to select. Malik sahib said, after lots of hesitation he selected an object and wrote it down on a piece of paper (the kern was watching). When they both turned the paper, he had written what he had selected with his own free will.

How he did it, is not the point, rather if a human with such low ability can tell what one will choose with his free will, then Allah must know what we will choose of our own free will, because He has to manage the universe. This is predestination. TV shows are full of such acts.

We have the choice to choose the path we like, and Allah knows it long before we take the decision. Some people might say that Allah said in Quran, nothing can happen without His will. This is true, and Allah has willed for us freedom to choose the path we decide. In Surah Al-Kahaf Allah say when he ordered angels and Satan to prostrate to Adam^(AS), everybody prostrated except Satan. He escaped because he was from Jinn kind. Jinn have been given the freedom of choice. O' people search for the truth, read Quran with understanding. Allah only guides those who have the urge for the truth. O Allah, give us the urge to seek Your guidance and guide us to Your path, fill our hearts with piety and Your fear and forgives us in this world and in the hereafter. Ameen!

Satan lures people to the fourth stage of kufr (rejection of the truth) with his wicked footsteps. Satan has a strong following within the troika and is confident that he will accomplish his task by leading the current generation of humans to Hellfire. So far it seems he is succeeding.

O’ Muslims recognise your enemy number one **Satan**; he is the mastermind behind the troika. We should hold on tightly to our Lord’s guidance (**the Quran**) and seek His protection from the accursed Satan. His protection is the only protection we will ever have. Otherwise, the Satan will lead us astray and make us from the dwellers of the Hellfire.

“O’ Allah, we are weak pull us towards You and fill our hearts with Your love and take us in Your protection from all evils and uncomprehend-able Footsteps of the Satan. O’ Allah, we seek Your protection from the whispers of the devils and seek Your refuge that they visit us. O’ Allah, let not our hearts deviate now, after You have guided us and grant us mercy from Your very presence, for You are the granter of bounties without measure. O’ Allah let us always be mindful of You and remember You”. Ameen!

Lessons we obtain from the story of Satan are as follows:

- 1) One who is knowledgeable and pious may lose that status when tested. May Allah take us in His protection from Satan, and may we die as solemn Muslim. Ameen!
- 2) It is kufr (rejection of truth) to refuse to Allah’s commands on the pretext that we don’t understand it.
- 3) Never lose hope in supplication; even supplication of Satan was answered.
- 4) It is incorrect belief to blame Allah and the predestination for our sins.

- 5) Adam did not think that it was possible for someone to swear by Allah and lie. This is how Satan tricked them. Satan has made it common amongst us.
- 6) The satanic troika is in its final phase where it will be destroyed. Insha-Allah (God willing)!

Conclusion

Angel Jibril(AS) was amazed looking at humans sleep carelessly and **not getting up for the past midnight prayers for repentance**, when the chances are that they may end up in the Hellfire. Jibril(AS) was also amazed looking at humans sleep carelessly without eagerness and **not getting up for the past midnight prayers to thank Allah**, when chances are they may enter the Paradise.

When we are late for office, we try to avoid our bosses and apologise for being late, when we have bad results in school, we try to avoid our parents, and when we have disappointed someone, we try to avoid him. When we sin, we disappoint Allah, Whom we cannot avoid. We should immediately repent to Allah and increase our supplications. If we fail to do so, Satan will take advantage of the situation by inducing guilt, convincing us that we are hypocrites, and thereby discouraging us from prayer and drawing us further away from our loving Lord. Satan even seeks to make us believe that Allah did not create us, even though he himself believes and acknowledges that Allah created him. His disbelief is in his disobedience. He did not repent and he does not want us to repent so that we go to Hell with him.

Who is Dajjal (Anti-Christ)

Historical background Jews were punished thrice by Allah(SWT) for deviating from the true religion. First time

they were given respite through Taloot and Dawood(AS). The second time they were prosecuted and driven out of their homes by the Assyrians into Babylon in 597 BC. After 200 hundred years, Persian king Syros allowed them to return. The Third time they were prosecuted and driven out of their homes by the Romans. Allah(SWT) again intended to give them respite through Jesus(AS). They rejected the true Masaya and lost their chance of returning to Palestine.

Due to their arrogance, they have been fooled by Dajjal to think he is the promised Masaya. Similarly, Prophet(SAW) said that we Muslim will be punished thrice for deviating from our religion. The Muslims were first punished in 1099 AD by the crusaders who attacked and captured Palestine. They killed all the Muslims and Christians living in Palestine. Allah gave us respite through Salahuddin Ayyubi(RA) who defeated the crusaders.

The second punishment came on us in 1258 AD when the Mongols captured nearly all the Muslim land and massacred two million Muslims in Iraq alone. We were again given respite by Allah(SWT) through Sultan Qutuz Mumluk of Egypt in 1260 AD, who defeated the Mongols, and as a result many Mongols accepted Islam.

Today again we are facing trials and turbulences with the troika of Dajjal, Gog Magog and dictators of slave nations. They have in the last decade killed more than thirteen million Muslims. Insha-Allah, Allah's respite through Imam Mehdi and Jesus(AS) is nearby. We must turn back to the book of Allah so that we are not distracted from the truth and follow the footsteps of Christians and the Israelites who have been fooled by Dajjal.

Dajjal is an Arabic word, it comes from the root word dajal meaning deception and Dajjal has PhD. in deception.

Dajjal's era will be full of deceits, turmoil and turbulences. Unlike Satan who was created from fire, Dajjal (Anti-Christ) will be from clay like us but with long life (satanic human). The Jewish people who were told by Allah(SWT) through prophet Auzair(AS) that He(SWT) will bestow them a messenger called Masaya (son of Mary(AS)) and that under his leadership they will rule the world till End Times. When the promised Masaya(AS) came to Israelites, the elites and the rabbis rejected him, because it obliterated the innovations they had introduced in their religion.

They killed Prophet Yahya(AS) (John the Baptist) and in their arrogance thought they have crucified Jesus(AS). The Quran says they certainly did not crucify him and most certainly they did not kill him, it was made to look so. Jesus(AS) was raised to the second heaven and will return to the world near the End Times for his mortal death (4:157). Very conveniently this concept of reincarnation was introduced into the Christianity after it was revealed in the Quran.

Their learned scholars knew that Prophet Mohammed(SAW) is the comforter referred to by Jesus(AS), as mentioned in the holy bible. The worldly gains prevented them from revealing the truth. Recently few bibles over 1400 years old, written in Armenia language have been discovered, and none of them mention the reincarnation of the Jesus Christ(AS). A bible which was written by the brother of Jesus(AS) kept in the Greek Orthodox library also does not mention the reincarnation of Jesus Christ(AS) and neither do these bibles call Jesus(AS) the son of the God.

The Jews who had rejected the true Masaya, were given another chance to repent by Allah(SWT) with the condition that they will obey and follow Prophet Mohammed(SAW), who had been prophesied in their religious scripture by

name. It was in anticipation of these foretold prophecies that the Jews settled in Medina, which was then called Yasrib. When Mohammed(SAW) migrated to Medina, he(SAW) prayed for seventeen months in the direction of Palestine, so that the Jews may take heed and follow him. The Jews rejected his prophet-hood because he(SAW) was not from the progeny of Bani Ishaq, and instead they made plans to kill him(SAW). Allah(SWT) then ordered Prophet(SAW) to change the direction of the prayers from Jerusalem to Makkah.

The turbulences of Dajjal and Gog Magog were then set loose. In a hadith narrated by Abu Katada hadith 5224/24 in Mishqat, vol 3, Ref#1-1 in which Prophet(SAW) said that the End Time Signs and turbulences will start occurring two hundred years after his(SAW) demise i.e. approx. by 828 AD.

Dajjal is a human being, not a metaphor as considered by some people. He was created as an extreme test for the humans after Satan. Dajjal has a long life and can only be killed by Jesus(AS). All prophets warned their people about Dajjal and his atrocious era. Prophet Mohammed(SAW) was also worriedly conscious of him.

Ibn-e-Umar in Sunan Abu Dawood vol. 3 hadith 923 Ref#2 narrates that Prophet(SAW) suspected a Jewish boy to be Dajjal. He(SAW) twice tried to sneak near him so that he could hear what he murmurs, to confirm his doubts. Umar bin Khattab(RA) asked Prophet's permission to kill him. The Prophet(SAW) said to him that if he killed him, he would have killed an innocent person, because Dajjal can only be killed by Jesus(AS).

It is also narrated in Sunan Nisai, vol 3, hadith 1806 Ref#3 in which Prophet(SAW) would seek Allah's pardon from the torment of the Hell, from the sleazes of Dajjal, and the trials of life and death. We Muslims should also seek Allah's

pardon from torment of hell, sleazes of Dajjal, and trials of life and death.

Dajjal's features and attributes

Prophet(SAW) warned us about him, and told us his features mentioned in Mishkaat Sharif, volume 3, hadith 5249/22 page 45 from Abu Dawood [Ref#4](#) narrated by Obada bin Sabet and in Abu Dawood vol. 3 hadith 910 [Ref#5](#). The Prophet(SAW) said that Dajjal is a short person with long curly hairs and he is a big deceiver. He walks with toes inwards and the heels out wards. He is blind in one eye with kafir written on his forehead.

The Prophet(SAW) said that if you still have difficulty in recognizing him then remember your Lord is not one eyed. The Prophet(SAW) in another similar hadith said that Dajjal will declare that he is god and told us to remember that we cannot see our Lord in this world. Nawas Bin Samaan in Sunan Abu Dawood, vol. 3, hadith 915 [Ref#6](#) narrates that the Prophet(SAW) told us that Dajjal's stature is extremely low in Allah's eyes. He also told us that his temptations will be very hard to resist, because he will do things against the norms. If he emerges during his(SAW) life span, he will cope with him on behalf of the Ummah, and if he comes after his demise, then everyone should cope for itself and that Allah is guardian over us.

He(SAW) also said that Dajjal will emerge from Khala a track between Iraq and Sham and will spread murder and corruption on both sides of the border. In a hadith narrated by Anus Bin Malik in Sahih Muslim, vol. 3, hadith 7392, [Ref#7](#), which says that seventy thousand (large numbers i.e. hundreds of thousands) Jews from Isphahan wearing Persian shawl will join Dajjal and emerge from Khala a track

between Iraq and Sham, spreading corruption and massacre on both sides of the border (currently only thirty to forty thousand Jews reside in Iran).

It is already happening; Muslims on both sides of the border are being killed. The Iranian forces entered Iraq and Sham to aide Iraqi Army and Basharul Assad in the massacre of the Muslims. Prophet(SAW) further said to his followers to stay steadfast with their religion i.e. to fight and defend their religion. Allah knows best (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ)

In another long hadith narrated by Nawas Bin Samaan(RA) in Mishkaat, vol. 3, page 36, hadith 5239/12 from Muslim and Tirmizi, Ref#8, narrates from Prophet(SAW) the following.

- a) Whoever encounters him he should read first ten verses of Surah Al-Kahaf and he will be protected from the deceptions and trials of Dajjal. What we read in these ten verses is about the people (Christians) who to save their faith hid in a cave. These verses are telling us to save our faith at all costs. One should try to stay away from the towns and the cities, because Dajjali will have a strong presence and influence there. (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ) (Allah knows best).
- b) He will emerge from Khala a track between the borders of Iraq and Sham (Syria) and unleash corruption, anarchy and massacres on both sides of the borders. People should stay steadfast on their religion Islam and fight the evil. This has already happened with Iranian army, Hezbollah forces, Moqtadar Sader militia, and Syrian army massacring Muslims on both sides of the border. American, Russian, European forces are aiding them, and yet Subhan-Allah the Muslim population have stood steadfast against the enormous odds. (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ)

- c) He will have paradise in one hand and hell in the other. The paradise will be hell, and hell will be paradise. In my opinion the heaven of Dajjal is the Dajjali States known as the Western Nations. They are flourishing with the wealth accumulated by stealing from the slave nations. The life in these states will be protected, and to an extent justice will prevail. Most of us have our eyes set on moving to these countries, because it looks like heaven in this world. It is Hell in consequences, because these states have pork, drug addiction opportunities, promiscuity that leads to free sex, open opportunity to become gay or lesbian.

Child and adult pornography are easily accessible; family structure has been destroyed by the laws that are in place. The whole economy of the society is interest based, and crimes carried out by their elites against humanity is common under false flags. It promotes atheism, which denies the existence of God. Although science has proved without the slightest doubt that the universe has a design, and where there is a design, there must be a creator. All the above attributes of Dajjal's Paradise are nothing in consequence, except leading to Hellfire. (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ)

The third world countries where famine and social disorder is the norm will be Dajjal's Hell. People will die of starvation, injustice will prevail, might is right is the norm of the day, because of the Dajjali laws that are in force. Yet more people believe in god and will have comparatively strong family bonds etc. Dajjal's hell is nothing in consequence (because it will be easier to acquire Allah's colours), except leading to Paradise.

(وَاللَّهُ أَعْلَمُ بِالصَّوَابِ)

d) Dajjal will travel faster than the winds. It is during the second day like a month that started in the United States, where the first jet plane was built, and this jet plane is the donkey of Dajjal. Abu Huraira_(RA) narrated in Mishqat Sharif, volume 3, page 47, hadith 5257/30, from Bahqi, **Ref#9**, that Prophet Mohamed_(SAW) said, Dajjal will be riding a white donkey whose ears will stretch out seventy (hundreds of) hand spans, and will fly on it in the horizon at very high speeds, faster than winds. In Arabic seventy means a large number more than seventy. If we consider the size of hand span as approximately five feet multiplied by seventy equals three hundred fifty feet minimum. In my opinion, and the opinion of the learned scholars, it is nothing but the modern jet planes. These planes are mostly painted white reflecting the white colour of his donkey. (والله أعلم بالصواب)

e) Dajjal will give good weather to nations who accept him. They will have ample rain, bumper crops, cattle full of milk and fattened animals in abundance. Subhan-Allah the western nations who followed Dajjal boast that their cows give eighty to ninety litres of milk/day. The yield of crops is extremely high, e.g. the wheat production is above four to five thousand kg/acre and corn nearly six to eight thousand kg/acre. In the seventies when I was studying in the U.K., the EU countries had accumulated surplus **Beef Mountain, Butter Mountain and Milk Lake**, which was later sold to Russia at a very cheap price.

These nations are called the developed countries (in my opinion Dajjali states). A hadith 5256/29, page 47, in Mishqat from Muslim & Bukhari, **Ref#9-1**, narrated by Mughira Bin Shaaba says that Dajjal will have mountains of bread and rivers of water. Amazing! The

Americans claim that only Indiana State can provide the world with wheat etc. (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ)

- f) He will give bad weather and drought to nations who don't accept him and will drain them of their wealth. Those nations who rejected Dajjal, they will have low rain fall and low productions of grain, milk and meat. The little that they will have, will be because Allah(SWT) will be providing them with some relief. The wealth and natural resources of these nations will be robbed and drained dry.

This is already happening; the wealth and natural resources of the slave nations are being depleted by the Dajjali nations through the proxy rulers of those countries. If we look at our country Pakistan, its rulers accumulate wealth fraudulently and transfer it in the Western Banks. Few years back in Baluchistan a contract for gold mine was awarded to a firm. This firm amassed gold worth dollar four and a half billion from our natural resources, and Pakistan only received dollar thirty-five million, less than one per cent (as quoted on TV channels). These countries are called third world countries. (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ)

- g) Dajjal will approach barren lands and will order it to uncover its treasures; the barren land will submit to his order and uncover its treasures; the treasures will follow Dajjal like bees follow their queen. If we look around the globe, we find that nearly all mines and wells full of natural resources were dug by the Dajjali (freemasonic) firms, and the wealth transferred to the Western nations. They depleted the slave nations of their natural resources leaving them in poverty and shackles of slavery.

The e and f part of the above hadith tells us that Dajjal will be able to control the weather, and it is in the State of Alaska in the United States, a weather control system H.A.A.R.P. was built. H.A.A.R.P. can not only control the weather, it can also cause earthquakes, destroy missiles and control minds. You don't have to agree with me, all you have to do is Google search for HAARP and you will realize, what I am saying, is what they are claiming. There are lots of conspiracy theories and one of them was presented by the ex-governor of Minnesota Mr Jessie Ventura, who claims that the tsunami of 2004 was the work of HAARP. In my opinion the deadly earthquake of 2005 that hit Pakistan, the tsunami of Japan was also the work of HAARP. If we look at the climate change in Pakistan with floods every year, it does raise questions. (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ)

Another attribute of Dajjal is that we will hear his voice around the globe. Prophet(SAW) in Sunan Abu Dawood, volume 3, hadith 913, **Ref#10**, said that whosoever hears the voice of Dajjal, should stay away from him, because if a person is a believer and interacts with Dajjal, he will speculate that he is a believer (because of his deceits) and will follow him. This is because Dajjal is master of deception. He will have things that will create doubts and baffle the human mind. In my opinion the voice that will be

heard all around the globe, is the voice of the media which is a major tool in the hands of Dajjal.

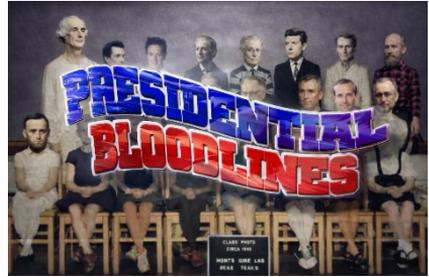

The media with its sugar-coated truth and brain manipulations can depict wrong as good and good as wrong. Doubts created by the Dajjal's media, will lead humans away from their loving Lord. Similarly, another hadith gives the clue as to how this voice will be heard around the globe. In the hadith 1878, vol. 1, in Sahih Bukhari, **Ref#11**, in which Osama bin Zaid_(RA) narrates that one day the Prophet_(SAW) climbed on top of a hill in Medina and said, he can see devils (nuisances) beaming on the houses like rain pours on them. These beams of nuisances in my opinion are the frequency waves being transmitted from the satellites. More than ninety-nine per cent of what is being beamed is nuisance filth, spreading promiscuity, atheism, corruption, godlessness, promoting gays and lesbians, interest-based economies, breaking family bonds, exploitation and massacres etc. (Allah knows best) (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ)

Another attribute of Dajjal is that he will give fire power to his Dajjali states. In a hadith narrated by Rabi Bin Harash in Sunan Abu Dawood, vol. 3, hadith 909, **Ref#12**, in which Prophet_(SAW) said that Dajjal's followers will have rivers of fire and water. What you see as fire will soon become water and what you see as water will become fire. In my opinion this hadith is amazing. The fire in my opinion is the fire power of the allied forces, bombarding Muslims from Indonesia, to Bosnia, Philippines to Kosovo, Nigeria to Afghanistan, Somalia to Kashmir and all around the globe. The blood of Muslim has become cheap. The fire power (river of fire) of Dajjal's followers is an extreme test for the Muslims, resulting in very high casualties and martyrdoms, which will probably lead them to Paradise with cool rivers

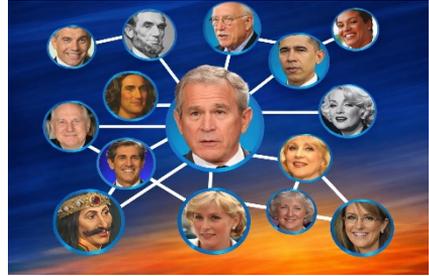

of water running underneath their feet. While those who side with the enemy of Allah, they will get rivers of water (pleasures) in this world, the consequences of which is Hell with rivers of fire in the hereafter. Look at the fire power of the nations of Dajjal (Western Nations) and their arsenals of weapons of mass destruction. (والله أعلم بالصواب)

The main attribute of Dajjal is his deceptions, deceits and lies. To understand the level of Dajjal's deceptions and deceits, let us try to look at one deception of Dajjal. All

American presidents from George Washington to Obama without exceptions have one bloodline (from documentary "illuminati Bloodlines G. Washington to Obama one family")". They are all from

one family, and they are all related to the British monarchs, and they all are freemasonries. John F. Kennedy was from the same family, but he openly spoke out against these secret

societies. He and his brother Robert were murdered, and the third brother Edward was humiliated to the extent that he was out of politics.

Dajjal with his deceptions started all the wars around the globe with false flags. Ottoman Empire was sucked into the First World War by destruction of its ship by the spies of these elites. Vietnam War started by destroying their own ship. 9/11 was a false flag to start a war on Muslim areas from where resurrection of Ummah is to take place, and at

the same time to finish all resistance to the One World Order, and to create the Greater Israel.

The Dajjal's media deceives us with sugar coated lies, and slandering the opposition. Dajjal not only baffled the Christians and Jews, but he will also mislead a group of Muslims mentioned in a hadith narrated by Abu Saeed Khuzri_(RA) in Mishqat vol. 3, page 46, hadith 5254/27, **Ref#13**, in which Prophet_(SAW) said that seventy thousand from my followers with green sheet on their head will subdue to Dajjal. This will happen because the true Islam obliterates their innovations and their fate will be the fate of Dajjal.

Dajjal with his deceits has put the Ummah in the opposite direction from the chosen path. In the name of fashion women have their trousers above the ankle and men below. This is the case in every walk of life. Islam tells us to live a simple life, while we are living extravagantly. People are dying of hunger, and we are wasting food and resources.

Another interesting hadith regarding Dajjal's system narrated by Asma bint Yazeed bin Askin_(RA) in Mishqat, vol. 3, page 46, hadith 5253/26, **Ref#14**, which says that in the End Times, time will pass quickly, a year will pass like a month, a month like a week, a week like a day and a day like a few hours. Today time is passing quickly just as mentioned in the hadith. This Ramadan although it came in summer, it seemed it was nothing more than a week. This is because the Dajjal's media, mobile, internet etc. consume our time to the extent we are unaware of the time flying past us.

Dajjal's Targets

Dajjal who has the leading role in the troika has taken the task of impersonating Jesus_(AS), and he will try to attain the

targets which Jesus(AS) was to accomplish. Dajjal will try to achieve the following:

- 1) Liberate Palestine.
- 2) Settle the (disbelieving) Jews in the Holy Land.
- 3) Build a Jewish state (Israel) in the Holy Land.
- 4) To bring the global weather under his control.
- 5) To make the State of Israel the ruling state of the World.
- 6) Dajjal to become the ruler of the world.

Dajjal has already achieved the first four targets, and the ground realities tend to indicate that Dajjal will also achieve the last two targets. This clan of imposters is extremely cunning, ruthless and militarily powerful. They have massacred hundreds and hundreds of millions of innocent people (Red Indians, Africans, Aborigines, Vietnamese, Iraqis, Syrians, Afghanis and in the two World Wars, etc.). There is no power in sight that can match them in their military might and sophistication of their technologies which will be Muslim friendly.

Insha-Allah Dajjal and his satanic partners of the Troika will not be able to achieve their last two goals. Allah(SWT) the Most Merciful will have mercy on us humans and send Imam Mehdi to pave the way for Jesus(AS), who will stop their evil march to rule the world. To my Muslims brothers, I can only say that Islam has prevailed when the odds were against it, and Insha-Allah Islam will prevail now. Allah has promised that the light of Islam will not be extinguished. People who are resisting the troika today and have resisted them in the past are Muslims. Dajjal's forces will be defeated, and the phenomena that will take place can be explained with the examples that took place in the era of our blessed Prophet(SAW).

- 1) The first one was the war of trenches that took place between the combined forces of the polytheists of Makkah, the disbelieving tribes of Arabian Peninsula and the Jews. These forces attacked Medina to stop the spread of Islam with the intention of killing all the Muslims. Muslims were small in numbers. The odds were one sided and yet Islam prevailed.
- 2) The second example is that of Ghazwa-e-Mutta which was fought by three thousand rag tag army of the Muslims against one hundred thousand strong Roman Army. The Romans were the superpower of the world at that time. Their army was fully equipped with arms and armours and yet Muslims were able to ward them off.
- 3) Third reason is Allah(SWT) in Surah Bani Israel verse eight told the Jews that if they returned to the holy land with their mischiefs, then Allah will return with His punishment. The Jews are being prepared for their last and final annihilation just like the army of Pharaoh. Subhan-Allah.
- 4) Fourth reason; Umar(RA)'s companions asked him to suppose that Allah grants him one wish which He will fulfil, what will he wish. He said that he wished this room was full of people like Ashab-e-Rasool(SAW), so that he could spread Islam and conquer the world. O Muslim brothers, to defeat Rome (Europe) and Kisra (Pharas) of today, it only requires handful of pious dedicated men.

They plan, and Allah plans, and Allah is the best of planner. It seems their plans have backfired in Syria, Iraq and other places. Before I proceed, I would like to clarify a concept with some examples. Motorway was built by the contractor and his labour, yet we say Nawaz Sharif built it. Similarly,

when a person flies a drone, we will say that America sent it, or when Bashar sends his forces to massacre Muslims, we don't say forces killed them, rather Bashar massacred them. The elites of Western nations and especially America and Britain are the nations of Dajjal. Anything attributed to them, can directly be attributed to Dajjal. Wherever they go, we will say Dajjal went there, or wherever they are present, we will say Dajjal is there etc. It will become clearer as we proceed.

Emergence of Dajjal and where is he stationed

A hadith tells us that Prophet(SAW) said, Dajjal will emerge when majority of the Muslims will stop praying and the second hadith 16667, in Ahmed, **Ref#15**, says that Dajjal will emerge when he is not discussed on the pulpit. Ages have passed when we last discussed Dajjal on the pulpit, and ages have passed since majority of Muslims have stopped praying. Dajjal will emerge when the Arabs will compete in high rise buildings. It is already happening.

The companions got worried with what they heard about Dajjal and asked Prophet(SAW), how long will he be on this earth? He(SAW) in Sunan Abu Dawood, Volume 3, hadith 915, **Ref#6**, said that the total duration of Dajjal's stay on earth is forty days, first day is like a year, the second day is like a month, third day is like a week, and the rest of the thirty-seven days are like ours. It is after the third day that we will be able to see Dajjal with our own naked eyes. Let us study what the hadith could mean, when it says that the reign of Dajjal will be forty days. Some of the learned scholars say that a day like year, a day like a month and a day like a week refer to periods i.e. the first day is a long period, the second day is shorter period, the third day is the

shortest period, and the rest of thirty-seven days are like our days.

There is a group of scholars that say that the first day is the heavenly day, which equals one thousand years as mentioned in Quran. Similarly, the second day is nearly eighty-four years, and that the third day is nearly nineteen years. I tend to agree with the scholars who say the first three days refer to periods and Molana Nazar Hosein of Trinidad is one of them. I tend to agree with the explanation given by him except for the last part, where he says that Israel will conquer the Arab lands from river Nile to river Euphrates and southwards till Medina to form Greater Israel.

In my humble opinion God willing the Zionist will never achieve this goal and based on the hadith which states that when Imam Mehdi will emerge, a Muslim ruler of Biladush-Sham will send an army to kill him. This automatically implies that Sham will not be under the control of the Jews/Dajjal. I will discuss this hadith in detail under the heading of Imam Mehdi, and I will speculate on the Muslim ruler that will send the army.

Now the question arises, where is Dajjal stationed. The clue is provided in the Prophet(SAW)'s hadith in Mishkaat, volume 3, page 41, hadith 5246/19, from Muslim, **Ref#16**, narrated by Fatima bin Qais(RA) and many others, which narrates that Tamim-ad-Dari(RA) who was a revert from Christianity and a companion of Prophet(SAW), he and some thirty or forty companions boarded a ship. A storm stuck the ship and kept pushing the ship in one direction for thirty days and docked the ship on an island.

On the island they met a strange being whose front and back was difficult to differentiate. They asked him who he was. He told them that he is Jassasa (a spy) and there is someone

eagerly waiting for them in the monastery. Tamim-ad-Dari and his companions rushed to the monastery and confronted a heavily build man with long curly (Jewish) hairs, who was chained with his hands behind his neck and his feet were also chained. That mysterious person asked them four questions.

- a. The first question the mysterious person asked; “Has the sea of Tabria (Galilee) dried out”? The Companions replied no, it is full of water and people are benefitting from it. He (Dajjal) said that it will soon dry out.
- b. The second question he asked; “Has the Zagar stream dried out”? They replied no, people are benefitting from it and use it for drinking and cultivation. Dajjal said soon it too will dry out.
- c. The third question he asked; “Has the date gardens between Amman and Baisan stopped bearing fruit”? They again replied no it is bearing lots of fruit. Dajjal said that soon it will stop bearing fruit.
- d. Finally, he asked the companions to tell him about their unlettered Prophet. They told him that he migrated to Medina and the tribes had subdued to him, and the people are following him(SAW). He said that it is better for the people to follow him(SAW).

He then told them that he is Masih Dajjal (false-Christ), and soon he will be released, and after his release he will carry out his tasks from here. Tamim-ad-Dari and the sahabas returned to Medina and told the whole story to the Prophet(SAW). The Prophet(SAW) gathered his companions and said to them, what he had been telling them about Dajjal, their brother Tamim-ad-Dari and his companions have

endorsed it. Prophet(SAW) then repeated what they told him(SAW) to the rest of his companions.

Now the question arises, on which island did Tamim-ad-Dari and the sahabas encounter Dajjal? I tend to agree with the suggestion put forward by Molana Imran Nazar Hosein. In his opinion that island is Britain (Packs Britannica). This is a scholarly opinion, while only Allah knows the truth.

(وَاللَّهُ أَعْلَمُ بِالصَّوَابِ).

Some of the reasons that led to this extra ordinary conclusion are as follows:

While studying the hadith of Tamim-ad-Dari(RA), we find that the first encounter of the sahabas on the island was with a being whose front and back was difficult to differentiate. If we look at early black and white British movies, where the warrior's hairs would fall in front of their faces, the back and front would resemble, and they would push their hairs aside with their hands while talking. To illustrate what I am trying to conclude, I have pasted two pictures to give you an idea what it could mean. Just like the figures in these pictures, it is difficult to differentiate their front from their backs, similarly was the case with the warriors in the old English movies depicting their culture in the earlier times.

That being whose front and back resembled, told them that he is a spy. Britain is the nation which has a long history of engaging in espionage activities around the globe, with its famous spy organization "British MI6". In my opinion it

was probably created by Dajjal's secret societies and may be the Jasasa (jasasa in Arabic means spy) was one of its members.

Start of First day like a year

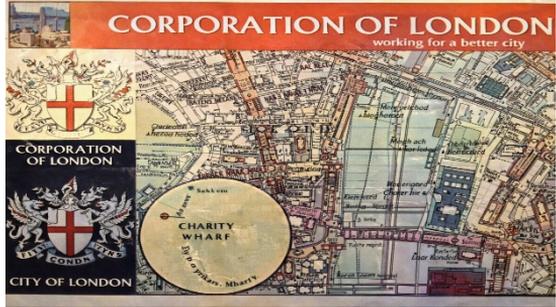

Britain in the old days was never considered a worthy adversary in Europe, but when Dajjal was released his first day like a year would start from that island where he was held prisoner, and that nation would become the ruling state of the world. In a short historical span, and with new scientific innovations, Britain became the ruling state of the world. During that period, the British used to say with pride that the sun never sets in their kingdom.

It was Britain where the banking system was introduced, that set the foundations for the interest-based economy around the globe. Interest which Allah(SWT) strictly prohibited to restrict exploitation. This system produced opportunities for these blood sucking criminals to suck the wealth of their slave nations.

It was Britain where organizations for women's rights propped up, weakening and breaking the family bonds. It was Britain where the bogus paper money was introduced by the secret societies to accumulate wealth with scam and treachery.

It was Britain where foundations for secularism and communism were laid and later exported to other countries. It is Britain where gay and lesbian societies were promoted and protected by the Dajjal's society under the pretext of individual rights. It is this nation that sowed the seeds of nationalism throughout the globe, and it is this poisonous nationalism that brought about the demise of Ottoman Caliphate.

With Dajjal leading the forces of corruption, very conveniently in 1694 the Bank of England was given to Rothschild by King William III. The one square mile area of central London is an independent state, owned by the wealthy Jews, who don't pay a single penny in taxes to the British government. This state has its own laws; a mayor called the Lord Mayor elected by these elites. I have pasted a picture showing the London Corporation taken from a documentary **“The three cities states that control the world”**.

This Corporation of London houses dozens of major banks, newspapers, movie houses, nearly all the TV channels etc. These elites' own lands throughout the globe known as the Crown Land. It's a misconception amongst the people when they think that the Queen of Britain is the owner of these lands. It is these Jewish elites who own them. Most probably the secret societies propped up on the entire planet from these Crown lands. In my opinion these secret societies might be headed by Dajjal himself (رَأَى اللَّهُ أَعْلَمُ بِالسُّوَابِ).

To achieve their goals, these secret societies have pledged strictest secrecy about their leadership. It is this extremely expensive piece of one square mile of land called Crown City State of London from which they control the world financially. The second city state owned by these elites is the Vatican City, where the pope is selected by the black popes (people in black robes).

It is the Vatican City from where they control the religious beliefs of the largest religious sect in Christianity. The third city is in Washington DC called the district of Columbia. It is a ten square mile of independent land with its own laws and police force. This is the city from where they control the world militarily.

These societies had propagated that there should be three World Wars, to achieve one world order. I have pasted some pictures of slides pertaining to the criminal activities of these secret societies from a documentary “33’ Freemason Albert Pike said WW 111 is coming, Prof. Veith’s Speech”.

These criminals have planned the Third World War between the Muslims and the Jews, and an amazing hadith in Musnad Ahmed narrates that Prophet(SAW) said that you will most certainly fight the Jews. The Palestinians are fighting the Jews. They will be

In a letter dated January 22, 1870, Mazzini wrote to Pike; alluding to Pike's New and Reformed Palladian Rite:

“We must allow all of the federations to continue just as they are, with their systems, their central authorities and diverse modes of correspondence between high grades of the same rite, organized as they are at present, but we must create a super rite, which will remain unknown, to which we will call those Masons of high degree whom we shall select. With regard to our brothers in Masonry, these men must be pledged to the strictest secrecy. Through this supreme rite, we will govern all Freemasonry which will become the one International Center, the

“Mazzini, with Pike, developed a plan for three world wars so that eventually every nation would be willing to surrender its national sovereignty to a world government. The first war was to end the czarist regime in Russia, and the second war was to allow the Soviet Union to control Europe. The third world war was to be in the Middle East between Moslems and Jews and would result in Armageddon.”

Albert Pike letter that he wrote to Mazzini, dated August 15, 1871 in which he outlined plans for three world wars that were seen as necessary to bring about the One World Order. For a short time, this letter was on display in the British Museum Library in London and it was copied by William Guy Carr, former Intelligence Officer in the Royal Canadian Navy. (Others claim that the information reached Carr via another route; see: William Guy Carr, “Pawns in the Game”).

The First World War: To overthrow the power of the Czars in Russia (protector of Orthodoxy) and bring about an atheistic communist state.

The Second World War: To originate between Great Britain and Germany. To strengthen communism as antithesis to Judeo-Christian culture and bring about a Zionist State in Israel.

The Third World War: A Middle Eastern War involving Judaism and Islam and spreading internationally.

on the West side, and you will be in the East side of River Jordan.

The person who narrated the hadith said, “He did not know where Jordan is. This is because then Jordan did not exist. The Jews are waiting for the Masaya, Christians are waiting for the Masaya and the anti-Christ, and we Muslim are waiting for the Imam Mehdi, the Masaya and Dajjal, although Dajjal is anti-Christ, we call him by his attribute which is deception (dajjal). His full name is Mashi Dajjal or false Christ. He has deceived the Christians and Jews in believing he is the true Masaya. (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ)

Albert Pike Planned three world wars (in a letter to Mazzini dated August 15, 1871, and until recently on display in the British Museum, wrote:

“We shall unleash the the nihilist and the atheists, and we shall provoke a formidable social cataclysm which in its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, ... will receive the pure light through the universal manifestation of the pure doctrine of Lucifer the destruction of Christianity and atheism. Both conquered and exterminated at the same time.”

(Fourth Reich of the Rich, Griffin pp 71,72).

Another hadith in my opinion verifies the disasters of the Third World War, it says that before the emergence of Dajjal there will be three years of famine mentioned in Mishkat Sharif, vol 3, page 46, hadith 5255/28, in Ahmed and Abu

Dawood, **Ref#17**. First year two third rains will fall next year only one third rain will fall and in the third year no rain will fall. No crops will grow and eventually all domesticated animals will die. The food of the believers will be Allah’s remembrance.

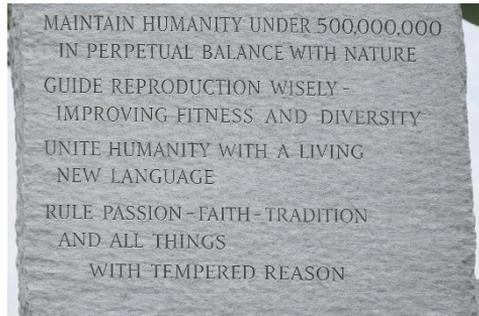

In my opinion this hadith refers to the Third Atomic World War, which is glomming in the horizon. The drums of war are beating all around us. Mansions are being built with huge basements around the globe by the elites which are linked to each other via tunnels with standard specifications. These houses are bomb proof and radiation proof. I guess they think that angel of death will not be able to enter their houses. I have pasted two pictures of a house being built in the United States with hundreds of miles of tunnels with branches linking similar house together, from a documentary by ex-Governor of Minnesota Mr Jesse Ventura.

The other explanation to the above hadith could be what Henry Kissinger said, he said “to control the world we have to control the oil reserves and to control the people we have to control the food chain”. Recently these elites have developed genetically modified seeds with very high yields. These seeds are without reproductive genes i.e. when nations use these seeds and lose their own seeds with productive genes, they will be enslaved. Once they have the control of the food chain then it would be easy to kill the ninety-three per cent of the world population by starvation, and need for atomic war would be averted. Third option would be the use of H.A.A.R.P. to completely change the weather. It would not rain when required and will rain heavily when rain is disastrous for the crops, and this is happening. Drought have already gripped the Arab and African countries. This January 2016 King Salman of Saudia Arabia led the prayers for rain (Istasqa) in Makkah, signifying the

urgency for rain (Allah knows best).

These criminals have not only planned the world wars, but they are also planning to depopulate the world by more than ninety-three per cent, so that the Jewish minority can rule the world. I placed a picture of the monument that was setup in Georgia in the

United State. The monument suggests in eight languages that the world population to be reduced to less than five hundred million. The agenda 21 of UNO endorses the view of these elites. UNO is nothing but a tool to make countries surrender their sovereignty to these elites.

During his first day like a year, Dajjal ruled the world from Britain. After the First World War he liberated Palestine from the Ottoman Empire, and defeated the Christian Orthodoxy in Russia, resulting in the emergence of a communist state. It was Britain who settled the Jews in Palestine, and created the State of Israel in 1948, after the Second World War. The strong bond between Britain and Israel is evident.

Start of the Second day like a month

According to these scholars after the First World War; Dajjal shifted to United State of America to have more men power to achieve his goals. It is here that the second day like a month started. Dajjal with his deceptions was able to unify and bond all the nationalities that had settled in the United States. Similarly, with new scientific innovations,

U.S.A. became the ruling state of the world after the Second World War.

Before Dajjal shifted to United States, once again very conveniently the Federal Reserve Bank of America was handed over to the four Jewish families (Rothschild, Rockefeller, Hymen and Schick) in 1913. With the manipulation of Federal Reserve Bank, these families have made the ruling state of the world, the most indebted state in the world. On the other hand, these elites with their multi-national companies own the world (Allah knows best).

It was the United States that built the space shuttle going to and from into the horizon. It is mentioned in the hadith narrated by Fatima binth Qais_(RA) in Mishqat, vol. 3, page 44, hadith 5248/21, **Ref#18**, Dajjal was jumping between heaven and the earth (Allah knows best). It is in this day like a month, in which the Satan was able to achieve the promise he vowed to Allah_(SWT) that he will make us human genetically alter the nature of His creations, as mentioned in the Quran, Surah Nissa, verse 119, **Ref#19**. It was in USA that the scientists first discovered the genealogical structure of living cell and started experimenting on them. They have been genetically modifying animals and crops (Allah knows best). The strong bond between the United States and Israel is again very evident. It has always been the United States of America that vetoed the resolutions condemning Israel for the genocide of the Palestinians.

It is in the second day like a month in which Dajjal attempted to enter the two Holy mosques. In a hadith 8631, in Mustadraq, vol. 4, page 586, from Muslim and Bukhari Sharif, **Ref#20**, in which Prophet_(SAW) said that the Dajjal will climb Mount Ohad and will say “that white palace is the mosque of Ahmed_(SAW)” and he will try to enter Medina and

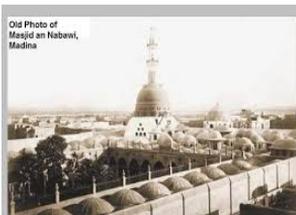

the angels with swords will ward him off. He will then setup his camp in the salty area in the outskirts of Medina.

The current Masjid-e-Nabawi was rebuilt and extended in 1984-94. The new structure now looks like a white palace, especially at night when you look at it from a distance. The first Iraq war started in August of 1990 and ended in February of 1991. It is during the first Iraq War that the American soldiers (Dajjal's army) first set foot on the Saudi soil and then started setting up bases all over Saudi Arabia.

The Saudi Government has built a big compound in the salty area where Dajjal is to camp, known as Kingdom Palace, and the locals call it the Dajjal's Palace. It is my intuition that American soldiers and spies are stationed there. The American soldiers being mostly non-Muslims were not allowed to enter Medina or Makkah (the angels (soldiers) at the check points, won't allow non-Muslims entry in the holy mosques (Allah knows best). Below I have shown the current pictures of Masjid-e-Nabawi. From it, it is evident that the mosque looks like a white Palace. This was not the case before 1984. Old pictures have been pasted to clarify my point.

Old pictures of Masjid-e-Nabawi.

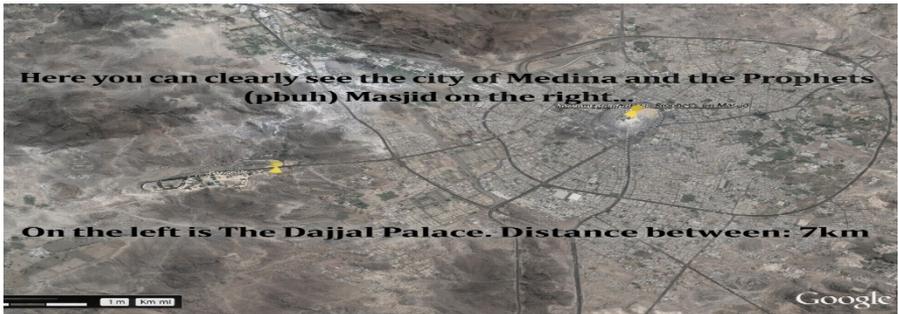

Below are the aerial pictures of Dajjal's Palace (Kingdom Palace) for you to see.

Scholars agree that the Dajjal Palace has been built on the salty land mentioned in the hadith.

Another hadith which compliments the above hadith is

narrated by Abu Huraira(RA) in Mishkaat, vol. 3, page 41, hadith 5244/17, **Ref#21**, which says that Dajjal will reach mount Ohd from the East (Dhahran where Americans first landed, is in the East of Ohd) and will be turned towards Sham, where he will be killed. This has already happened. Dajjal with all his deception is at work in Sham (رَوَاهُ اللَّهُ أَعْلَمُ بِالصَّوَابِ).

Start of the Third day like a week

As this hadith fortifies the above hadith but relates to the third day. That's why I have placed it at the top. In a hadith 7386, in Muslim, in Bab Jassasa, **Ref#22**, narrated by Fatima Bintay Qais, she says that Prophet(SAW) said that behold Dajjal is in the Yemen Sea or Sham Sea, nay he is in the East, he is in the East, he is in the East and pointed towards the East. This hadith is again amazing.

The first part says Dajjal is in Yemen Sea (Arabian Sea). American forces are bombarding Yemen with drones and fighter jets from their naval fleet and aircraft carrier stationed in the Arabian Sea (because an army of 14000 will be despatched to aid Imam Mehdi). The second part says that Dajjal is in Sham Sea (Mediterranean Sea) where one million European forces will be defeated. American, European and Russian Aircraft carriers and navy fleets are bombarding Sham with bombers, fighter aeroplanes and helicopters. They are also firing cruise missiles from their fleets in the Mediterranean Sea. The third part says Dajjal is in the East three times. In my opinion it notifies:

- 1) Dhahran where Americans first landed on the Saudi soil and then marched towards Medina is in the east of Medina.
- 2) American fleet present in the Arabian Gulf, from where they are bombarding Iraq and Sham is in the east.
- 3) Iran from where 70000 (hundreds of thousands) Jews with Persian Shawl will join Dajjal to wage war on Iraq and Sham is also in the east (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ).

According to the scholar Imran Nazar Hosein, 9/11 was the trigger for the start of the third day like a week. It is assumed that Dajjal shifted to Israel after 9/11. If Dajjal has

shifted to Israel, then with passage of time he would want Israel to become the ruling state of the world. To achieve his dream of One World, One Government, One Army, One Currency (electronic) and One religion (worship of Lucifer). It is in this day like a week, when Dajjal's nations attacked Muslim Countries from where the resurgence of Ummah is to take place. Interesting hadith narrated by Soban_(RA) in Sunan Abu Dawood, hadith 4297, **Ref#23**, which says that the Prophet_(SAW) said that near the End Times, nations will call on other nations to join them in attacking Muslims just like people call each other to dinner table.

The companions asked the Prophet_(SAW), "Will we be less in numbers". He_(SAW) replied, "You will be in very large numbers, but you will be like foam on the sea. Allah will remove the fear from the hearts of your enemies, because his_(SAW)'s Ummah will acquire the disease of wan i.e. love for the worldly life and fear of dying". Subhan-Allah! When America intended to attack Afghanistan, it called on the nations of the world to side with him and they did. When America intended to attack Iraq, it called on the nations of the world to side with him and they did. Similarly, in the war against the people of Iraq and Sham, they again have a coalition of forces. Sixty to seventy countries are participating in it.

In the day like a week, the Dajjal shifted to Israel to make Israel the ruling state of the world (his 5th target). The Arab uprising was started by these elites to soften and cleanse the neighbouring states by weakening its armies, so that Israel can achieve the goal of expanding from the river Neil to Euphrates and bring into existence the Greater Israel. This is where I disagree with these learned scholars, because in my

humble opinion, it is the period when all the turbulences and the Great War (Malhama or Armageddon) will take place.

It is during this day like a week, when Allah(SWT) will bestow Mohammed bin Abdullah his Imamet i.e. Imam Mehdi. It is during this day when the Iranians will be defeated as mentioned in the hadith coming later. It is during this day when the prophesied bloodiest war Armageddon will take place between the Muslims and the one million European alliance force (soldiers of Dajjal) in Bilad-us-Sham, and the Muslims will be victorious.

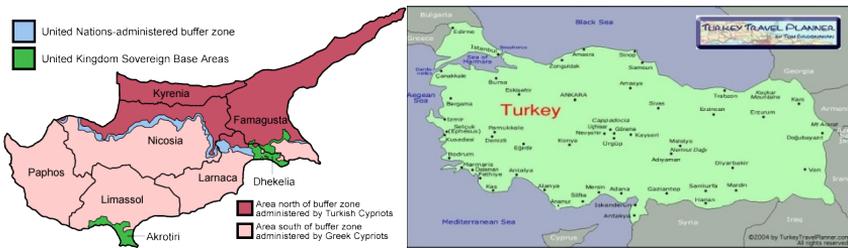

In another hadith, in Sahih Muslim, vol. 3, hadith 2781, **Ref#24**, Abu Huraira(RA) narrates that Prophet(SAW) said, “End Times will not occur until European forces land in Amakaor Dabiq in Sham, and an army will be dispatched from Medina which will consist of the most pious people on the Earth at that time. The mujahideen had already liberated Dabiq, therefore in my opinion the European army will land in Amak. Currently Amakais in Turkey near the city of Antakya. It is a small belt between Syria and Mediterranean Sea. Most probably the western forces will use the British bases in Cyprus to land near Amik. When they have formed their formation, the European forces will tell the army from Medina that they only want to fight those who have made prisoners from amongst them and that they should not interfere between them and the mujahedeen (probably after the defeat of Iran, American soldiers will be made prisoners). Muslims will say “By Allah we will not leave our brothers alone so that you may fight them”. Eventually a big war will take place, and the mere strength of the Roman forces will make one third of the Muslim army run away in fear. Allah said that He will not accept their repentance ever after. **O’ Allah forgive us and let us not be from them.**

Ameen! One third will be martyred, and one third will be victorious. The Prophet(SAW) said that Allah said that they (army that fought Armageddon) will never be tested again. After the defeat of the Western forces, the army from Khorasan (Afghanistan) will join them. They will reconquer Constantinople without a fight (probably European forces will capture Constantinople to punish Turkey for its non-active participation against the mujahideen in Syria and Iraq). The European forces remembering the defeat in Syria will run away without a fight, just like the two hundred thousand strong Roman forces ran away when Prophet(SAW) came to fight them with thirty thousand rag tag army at Tabuk. When Constantinople is liberated, at that moment Satan will shout that Dajjal has arrived in your families. The army will leave for Sham, the news will turn out to be false, but when they arrive in Sham Dajjal will emerge for his last thirty-seven days.

Another hadith which fortifies what is said above, and will be in the third day like a week, in which Abu Huraira narrates a hadith 7277, in Sahih Muslim, **Ref#25**, from Prophet(SAW), who said, “What will you do when Iraq is denied its currency, what will you do when As-Sham is denied its currency and what will you do when Egypt is denied its currency. You will return where it began in the first place”. What does this mean? When countries fall, their currencies fall (denied), i.e. its currency will lose its value and people will discard it. The companions asked, “How would the currency of Iraq fall”. The Prophet(SAW) said, “Because of Iranian intervention”. The companions then asked, “How would the currency of Sham fall”. The Prophet(SAW) said, “Because of Roman (Western) intervention”. The companions then again asked, “How would the currency of Egypt fall”. The Prophet(SAW) said, “Because of their internal rift”. Amazing, this bogus paper money did not exist in the old days, the gold and silver can never lose its value. On the other hand, if we look around the globe, countries where the bogus paper money lost its ninety-nine per cent value, e.g. Russia, Germany, Italy, Japan, Turkey and many more. Iraq and Sham’s currency have fallen, and Egypt is next to fall (it too has fallen). Hadith also says that you will return where it began in the first place. In Sham they have returned to the old ways by introducing gold, silver and copper currency, which never loses its value (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ). Subhan-Allah, I came across another hadith (which in my opinion relates to the third day and current events in Sham) narrated by Nafay Bin Otba in Sahih Muslim, vol. 3, hadith 7284, **Ref#26**, which endorses the above hadith. This hadith narrates that once he was with Prophet(SAW) in a gazwa (war) where people with white

woollen cloths arrived from the west (Sham) and met Prophet(SAW) on a small hill. Prophet(SAW) told them:

- a) You will fight the people of Arabian Peninsula and you will be victorious. America is trying to forge an army of the G.C.C. to fight the mujahideen in Syria (with the murder of Khosgi, S.A. is under pressure to send forces to Syria to confront Turkey). In my opinion their defeat will pave the way for Imam Mehdi (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ).
- b) You will fight the Iranians and you will be victorious. The fight with the Iranians in Syria and Iraq is in high gear. Recently they have sent more troops to Syria. They have already lost two generals in Syria. Their defeat in my opinion will clear the way for the Army of Khorasan to move towards Palestine without hindrance as per another hadith (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ).
- c) You will fight the Romans (Europeans) and you will be victorious. In my opinion when their ally Iran will lose the war and the army from Khorasan will start its march, one million European forces will land in haste in Amakaso that the two forces don't unite and will be defeated. Insha-Allah, God willing! (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ)
- d) You will fight Dajjal (anti-Christ), and you will be victorious. In another hadith, I read that Dajjal will emerge in anger after the re-conquest of Constantinople. It is because of the Muslims that Dajjal's centuries of planning will fail, and he will be killed by Jesus(AS) at a place called Lod in Palestine. Good Ridden! (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ)

In my humble opinion this hadith relates to the on-going war in Syria, that is why I have put my comments on all the four wars. We Muslims must stay steadfast with our religion as mentioned in another hadith related to the turbulence in

Syria. The mujahideen will fight the first two wars alone and will be victorious. The Roman (European) forces will come to Sham(Syria) after the defeat of their ally Iran in Sham and Iraq. This third fight against the Romans will be led by the forces despatched by Imam Mehdi from Hijaz (they will be the most pious and best of people on earth at that time as mentioned in a hadith) and the fighters of Sham. It too will be won by the Muslim forces. The fourth fight with Dajjal will be led by Jesus(AS) and that will be the end of the despicable Dajjal and the war would be won. Their shameful dream of ruling the world from Israel will come to an end. (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ)

In a hadith narrated by Abu Huraira in which Prophet(SAW) said that the zimis will no longer pay jizya i.e. they will overpower you and these are the people who will invade you. Amazing, majority of non-Muslim population in these countries were and are Christians. After the demise of the Ottoman Empire, they stopped paying jizya and it is the Christians who are attacking Sham. As-Sham is special, Prophet(SAW) said that when Sham is engulfed with turmoil the whole Ummah will be in turmoil (today the whole Ummah is in turmoil). In Sham there is intervention both from outside and within, Sham is in great turmoil. After the First World War, Europeans split Sham into Palestine, Jordon, Lebanon, Syria and part of Turkey. This they did, because Prophet(SAW) gave the people of Sham lots of glad tidings. The slogan being shouted by most people in Sham is “O Allah, we have no one else besides You”. The religious and political pundits of the West have already started beating the drums of Armageddon (وَاللَّهُ أَعْلَمُ بِالصَّوَابِ).

Start of the rest of 37 days like ours

After the defeat of the European forces in Constantinople, the third day of Dajjal will end, and the next thirty-seven days like our days will start. After the third day, Dajjal will emerge and we will be able to see him with our naked eyes. Jews from all over the world thinking he is the promised Masaya, will gather in Jerusalem for the final war in anticipation of the fulfilment of the message delivered to them by Auzair(AS) from Allah(SWT). These last thirty-seven days will be the final blow to the Zionist Jews. Allah will gather them Jerusalem to inflict them the harshest punishment ever. It was the Zionist rabbis who wrote Talmud, which they hold dearer than the Torah. In Talmud it is written that the rest of humans other than the Jews are nothing more than the dung of a cow. Talmud is based on three things:

- 1) Jewish supremacy.
- 2) Hatred for Jesus(AS).
- 3) Hatred for gentiles.

These Zionist, with Dajjal's manipulations, deceptions and lies, were able to bring all the nations of the world under their shackles of slavery. They are now ruling the world with help of their proxies. I was listening

to a documentary where a Jewish man was asked whether Jews killed Jesus(AS). He said very proudly, yes, we killed Jesus(AS), we rejected Mohammed(SAW) and then started swearing. I use the term

Zionist Jews because the orthodox Jews have been protesting on the streets of Manhattan repeatedly.

They say that the state of Israel should not exist, because, according to their religious scriptures, it cannot come into existence before the real Masaya arrives, therefore, it should be brought down. Surf the internet with the wordings “The demonstrations of Jews against Israel in New York”. You will be astonished to see the large numbers in which they have been demonstrating. The current state of Israel is the state of the false Masaya. Their absolute inhumane behaviour is another proof that it is the filthy state of Dajjal, the dream of Satan and his Satanic Troika. Most of the Jews will join Dajjal when he emerges, thinking that he is the true Masaya. Allah is going to gather them all in one place, just like the army of Pharaoh which was drowned in the Red Sea. Allah(SWT) will inflict them with the worst punishment ever. All the Jews living in Palestine will be executed by the Muslims. This punishment will come onto them because of their enmity towards Jesus(AS) and Prophet Mohammed(SAW).

In the last days of the thirty-seven days, the Muslim army will make formation for jihad when call for prayers will be made, and at that moment

Jesus(AS) will descend from the heavens. On seeing the Jesus(AS), the enemy of Allah, Dajjal will start

melting. The Dajjal after seeing his death will run for his life and will go to a place in Israel called Al-Ludd, so that he can catch his donkey (a jet plane) and fly to safety. Ludd

Airport is the largest Airport in Israel it is also called Bin Gurion Airport Lod. Lod is Hebrew name for Ludd, while Ludd is in Arabic, you can see the explanation given in Wikipedia. Jesus(AS) will kill Dajjal at Ludd and show his blood on his spear. In this small span of five weeks Dajjal with all his deceptions will be defeated and killed. Islam will persevere under the leadership of Prophet Jesus(AS) and Imam Mehdi. The reign of deception and horrendous killings will come to an end, and the truth will prevail.

Achievements of Dajjal

Dajjal ruled the world through Britain in the day like a year, and he ruled the world through United States of America, during his day like a month. Shaddad of modern era, the Dajjal built his paradise in the Western World, and his hell in the third world countries. He provided his followers with fire power and luxuries (rivers of fire and rivers of water). He liberated the Palestine from the Muslims and brought the Ummah under his shackles of slavery. His third day like a

Lod (לוד, לוד, Greek-Latin Lydda, Diospolis, Ancient Greek: Λύδδα/Λυδδα) is a mixed Jewish-Arab city 15 km (9.3 mi) southeast of Tel Aviv in the Center District of Israel. At the end of 2012, it had a population of 70,000.

The name is derived from the Biblical city of Lod. During the 1948 Arab-Israeli War, most of its Arab inhabitants were expelled during the 1948 Palestinian exodus from Lydda and Ramle.^[1] The town was resettled by Jewish immigrants, primarily from Arab countries.^[1] 25% of its population, 1,056 Arabs, remained. Key Data

Ben Gurion International Airport, or Lydda Airport as it is sometimes referred to, is the largest international airport in Israel. The airport is located near the town of Lod around 15km (nine miles) south-east of the capital Tel Aviv.

Prior to 1973 the airport was known as Lod Airport when the name changed to honour David Ben Gurion who was Israel's first prime minister. The airport is operated by the Israel Airports Authority (IAA), a government-owned corporation that manages all public airports and border crossings in the State of Israel.

week will be the turning point and start of his downfall. He was able to replace genuine money with bogus paper money. Due to the media controlled by the freemasons, the dajjal was able to convert people from being content to becoming materialistic and promiscuous. In the name of liberating women, he was able to break family bonds. Gays and lesbians were promoted under the pretext of freedom of choice. Atheism was promoted with bogus Darwin theory. Communism and socialism were promoted and exported to the rest of the world. Interest based economy flourished, giving Dajjal's states edge over others. Transport (jet planes rockets etc.) and communication systems (telephone, mobiles, messaging, wart sap, etc.) were developed to accelerate the control over the individuals. Banking system was developed which has crushed the third world countries under the burden of interest. Computers, internet and satellites development are at its peak for total control. Weather control system HAARP was developed. Horrifying destructive weapons (Vacuum bombs, barrel bombs, nuclear bomb, phosphorous bomb, cruise missiles, laser guided missiles etc.) have been developed to control the world. United Nation was built to bring the nations of the World in Dajjal's shackles of slavery.

Consequences of Dajjal's powers

It is in the era of Dajjal the crusaders (Freemasonry Knight Templers) were sent to conquer Palestine and kill all its habitants, both Christians and Muslims, which they did. It is in this era the Muslims are facing the Zionist crusaders, who want to eradicate Islam. Dajjal was able to put an end to the Ottoman Caliphate. The preposterous State of Israel has broken all limits in its barbarism, manipulation, extortion, massacre etc., which human race has never crossed. Dajjal

has spread corruption in the entire world via the proxy leaders. Just like Allah brought all the forces of Pharaoh of Egypt from their reclines and drowned them in the Red Sea; similarly, Allah will bring all the Zionist perpetrators in one place to be slaughtered, to rid the world of their crimes. The Dark Age that started in Middle Ages (after the release of Dajjal), which brought all the nations of the globe under the shackle of his slavery will end with Dajjal's death. Good ridden.

Resurgence of the Ummah

Dajjal brought the Ummah under his shackles of slavery, with his media, secret societies and the Satanic troika. He has misguided not only the non-Muslims but Muslims as well. They plan and Allah plans and Allah is the best of planners. Thirty years back the renaissance of Islam was no were to be seen. Prophet(SAW) talked about the areas from where the resurgence of Islam will take place:

- 1) Palestine: Its people were secular and extremely permissive and habitually swearing at God.
- 2) Bilad-ush-Sham which includes Syria, Lebanon, Jordon and Palestine. Syria was a dictatorial secular state.
- 3) Iraq was again a dictatorial secular state.
- 4) Afghanistan was a communist state.
- 5) Yemen especially South Yemen (Aden) was dictatorial Secular State.

Dajjali states (European) are the ones who put them there and made sure that no Islamic uprising could take place. The above places from where the resurgence of Islam was to take place were all secular or communist states, one could not see any good coming out of them. In a span of thirty years, the whole scenario has changed. The first country

where martyrdom was celebrated like wedding was Gaza in Palestine. Then the war in Afghanistan against the Soviet Union was the turning point. All Jihads from Chechnya to Bosnia and other places have their roots in Afghanistan. Subhan-Allah, Allah made sure that Pakistan's Chief of Army Staff will be a person who will take a stand against the Soviets and start a jihad there. This stand was the start of the resurgence of the Ummah. Similarly previous Saudi king in collaboration with the US was bombarding the Sunni Population of Yemen. He died and current king came to power; he also started bombarding the Shia insurgents.

(وَاللَّهُ أَعْلَمُ بِالصَّوَابِ)

We are in the final phases of the war in Bilad-ush-Sham. The Iranians will be defeated, and this will clear the way for the Army of Khorasan to march towards Palestine. The Prophet(SAW) said that no power in the world will be able to stop them. The Palestine will be liberated, Dajjal will be killed, Gog Magog will be annihilated, and peace and tranquillity will return to the world. Thank you, Allah!

Return of Jesus(AS)

Jesus(AS) having been raised to the second heaven will return after one-million-armed forces from Europe have been defeated in Sham, and Constantinople is re-conquered by the Imam Mehdi's forces. Jesus(AS) will fight and kill the false Masaya (Dajjal). After killing Dajjal and executing all the Jews living in Israel, prophet Jesus(AS) will form and lead the promised One World Government with the Muslim tribe of Bani Israel of Khorasan (the Pathans). He will get married and rule the world for forty years with justice. After his demise the Muslims will pray over his(AS) funeral and will bury him(AS) in Medina next to the grave of Prophet Mohammed(SAW). In the grave that has been set aside for

JESUS(AS) by Mohammed(SAW). Abu Huraira in Sunan Abu Dawood, vol. 3, hadith 918, **Ref#27**, narrates that there will be no prophet between Prophet(SAW) and return of JESUS(AS), he will certainly descend from the heavens, and when he descends, you will recognise him. He(AS) will be reddish white with middle height and structure. Water will be dribbling from his hairs without being wet. He will fight for Islam (submission to one God), break the cross, kill the pigs and abolish jizya (tax on non-Muslims). All non-Muslim nations will have to revert to Islam or will be destroyed; Islam will then prevail over the entire globe. After the death of the Anti-Christ Dajjal, the Muslims, the Christian and the Jews will subdue to JESUS(AS), because all of them were waiting for him.

Summary of related hadiths

He will be wearing white clothes socked in saffron and will descend with his hands on the wings of two angels. When he lowers his head sweat will fall from his head like beads and when he raises his head the sweat will fall like pearls. All the disbelieving Jews in Palestine who will smell his breath

will die and his breath will reach where his eyes can see (i.e. when Dajjal sees Jesus_(AS) he will run for his life. The Jews on seeing this will recognise Jesus_(AS) and surrender to him).

- o)** Jesus_(AS) will kill the despicable Dajjal at a place called Ludd in Palestine. All Jews who followed him to Palestine will be slaughtered. Allah's creations (the trees, the rocks) will callout, there is a Jew hiding behind me, kill him, except for the Gharkad tree also known as Jew's tree. That is why they are growing them with reverence. It is the tree of hell.

- v)** Jesus_(AS) and Muslim will beseech Allah to rid them of this evil. Allah will then send insects which will bite on their necks and will kill them all.

- w) Allah will send big birds (most probably cargo planes) like camel to pick the corpses and dump them where ordered.
- x) Allah will then send rain to wash the earth clean.
- y) Allah(SWT) will then order the land to bear its fruits and blessings in abundance.
- z) Jesus(AS) will rule the world for forty years with justice. He will break the cross, kill the pig and abolish jizya. Everyone will be rich. Zakat and charities will not be collected. Hatred will finish between humans. Poisonous animals will no more have poison in them. Wolves will act like dogs protecting sheep. A small girl will scare the lion away (rights of everyone will be observed). The world will be filled with peace and tranquillity just like a container is filled with water. Utensil of peace will be sold at a very high price and the armour of war at a very low price as there will be no need for them anymore.
- aa) Allah will send a breeze which will affect the armpits of the believers, and they will die in peace. Those left will fight each other and have sex like donkeys in the open. On these people the End Times will come with all its horrors and torment.

Gog and Magog

In a hadith in Sahih Bukhari, vol 3, hadith 1939, **Ref#28** narrated by Malik bin Ismail said One day Prophet(SAW) was sleeping in the hujra of our mother Umm-al-Momineen (mother of the believers) Umm Salma(RA) when he woke up with his face red in anxiety and said that destruction awaits the Arabs due to the evil that has been released, and that a hole was made in the dam of Gog Magog, and made a ring with his thumb and tashahud fingers. Our Ulemas claim that it was the usual daily routine which the Gog Magog did i.e.

as mentioned in a hadith narrated by Abu Hurraira in Sunan Ibne Majah vol. 3 hadith 961 **Ref#29** which says that Prophet(SAW) said that Gog Magog will dig thru the dam until they see light thru it, their leader will tell them to go and rest, and that we will break the dam tomorrow. Next day when they come back, they find the dam has been rebuilt. They will keep digging until Allah(SWT) wants them contained. One day they will say if God willed tomorrow, we will break the dam and next day the dam will not be rebuilt and they will break lose. My humble question to my ulemas; if it was a routine hole then the Prophet(SAW) did not have to worry. I have also read somewhere that Hazrat Umar(RA) sent a team to investigate if the dam had been broken. The team returned and reported that the dam had been broken. It was twenty-seven feet high and two hundred seventy-five feet wide covering the pass between two mountains. People might say only twenty-seven feet high. To build a wall with iron plates and then heat them until they are red hot, twenty-seven feet at that time is a miracle. It is said that it is in Georgia.

According to Dr. Israr Gog and Magog are the disbelieving tribes who are the progeny of Yafis son of Noah(AS) and live in the northern Europe all the way till China. These tribes are extremely ruthless, cunning and opportunists. In a hadith narrated by Abu Saeed Khuzri in Sunan Ibne Majah, vol. 3, hadith 960, **Ref#30** says that Prophet(SAW) said that when Gog Magog are released, they will emerge from all heights and will spread all over the world.

- a) They will even take away all the live stocks with them i.e. they will plunder the wealth of the conquered nations.

- b) They will come across Sea of Galilee and will drink all its water. When the second phase arrives, it will say there used to be water here.
- c) They will fire their arrows in the sky which will return with blood, and they will say we conquered the world and now we have defeated the ones in heaven. These arrows in my opinion are the insults they pass against Allah(SWT). Look at their talk shows they are full of lies and insults on Allah (the God), or it could be the missiles when they return, they create lots of bloodshed (وَاللّٰهُ اَعْلَمُ بِالسَّوَابِ).
- d) Allah(SWT) will send beetle-like creature in numbers like locust which will sting them in their necks or enter their necks and kill them all at once just like the locust are killed or die.
- e) The flocks will eat their flesh and get fattened.

The concept about Gog Magog which most of the Muslim have in the back of their heads is that Gog Magog will eat humans, animals, plunder all the wealth and drinks dry the Seas. This concept is not wrong. When the Europeans colonized the world, they conquered America. The American continent at that time had hundreds of millions of wild buffalos. The Red Indians would hunt these buffalos to feed themselves and their tribes. A bounty was placed on the hides of buffalos to exterminate them. The extermination of buffalo meant that it would hasten the extermination of the Red Indians. They had also placed a bounty on the scalps of Red Indians. The Red Indians were exterminated on false pretexts. The animals (buffalos) were extinct eaten(killed) by the Gog Magog. I have pasted some

not very old photographs which show buffalos grazing the

planes in the US. This is peanut compared to the numbers that roamed the planes at the time of conquest. Similarly, animals in Africa were hunted for pleasure.

They wiped out the entire indigenous human populations of North America, South America, Australia and Africa. In Africa eighty per cent of the indigenous people were made slaves and stowed on the ships in such a way that eighty-eight per cent died of suffocation, hunger and thirst. Human populations were eaten (killed) by these dreaded nations. They conquered the entire planet apart from Afghanistan until recently, and ate (depleted) their resources. When the second phase of Gog Magog will come across the Sea of Galilee they will say “there used to

be water here”. The Sea of Galilee has shrunk to a level where the experts say that it has crossed the point of no return. Gog Magog are drinking its water. The picture below shows that the water has shrunk by six to seven feet. I have pasted a painting that shows that major portion of water always resides in the upper part of the lake.

In Surah Ambia verse 95-96 it says that a nation was beaten and driven out of an area, and they cannot return until Gog Magog are set lose. In my opinion that place is Palestine in Bilad-ush-Sham. The Sea of Galilee, the Zargar stream, the gardens of Baisan are in it. The nation that was driven out of Palestine were the Jews and they could not return to Palestine until Gog and Magog were set lose. For two thousand years the Jews were not allowed to settle in Palestine. Who brought them back to Palestine; it is Europe, proving they are the Gog Magog. According to some Christian scholars NATO is Gog and Warsaw Pact is Magog. I have included a picture from such a lecture.

According to Dr Israr the second phase of Gog Magog will come from China. Subhan-Allah an economic corridor is being built between Pakistan and China with four track roads on both sides plus railway tracks. China is also reviving the Silk Route with Iran. This will enhance their movement from China to Middle East. In my opinion after the defeat of the Western Powers, death of Dajjal and virtual eradication of the Arab population, China will set its eyes on the resources of the Arab Lands. China most probably will send hundreds of millions of its soldiers and civilians to occupy the petrol rich resources of the Arab countries and to settle there. They will be destroyed by Allah(SWT). Very conveniently Uncle Sam has nothing to say about it, he has given it, his passive approval! Why? Deep inside they

believe they may lose the fight in Sham. This will be their second line of attack. It too will be destroyed. Insha-Allah.

Conclusions on Gog Magog

Gog and Magog are the nastiest human race infected with the diseases of war mongering, mass murders and plundering nations around the globe. They are the mass killers who kill just for the fun of it. The confessions made by their soldiers who served in Iraq are horrifying to ordinary humans, and to them it is just one soul less that will feed of the land. They conquered the world plundered its wealth. It is an illusion that makes people think that they have been set free, when they are being ruled by the proxy rulers. If ever any nation tried to break the shackles of their slavery, a revolution would overthrow the government, and therefore that nation would face hard times. If a nation ever succeeded in overthrowing their puppet rulers, an embargo will be placed on them by the UN to force them into submission. The democratic process is a delusion; it is this made to look process that empowers criminals to rule and transfer wealth to the Paradise of Dajjal.

Imam Mehdi (blessing of Allah for the Ummah and humanity in general)

In a hadith narrated by Abdullah Bin Masood_(RA) in Mishkat, vol.3, page 30, hadith 5216/16, **Ref#31**, which says that the Prophet_(SAW) said that the End Times will not occur until a man from his progeny whose name will be same name as his_(SAW) name(Mohammed) and his father's name will be same name as his_(SAW) fathers name (Abdullah). He Mohammed bin Abdullah will be called Imam Al-Mehdi and will conquer Arabian Peninsula. He will fill the earth with justice just like it was filled with injustice. Further in another hadith narrated by Abu Ishaq_(RA) in Mishqat, vol. 3,

page 32, hadith 5226/26, from Abu Dawood, **Ref#32**, says that Ali(RA) looked at his son Hassan(RA) and said that Prophet(SAW) said, this son of mine is a leader, and from his progeny will emerge a man whose name will be the name of the Prophet(SAW). His character and habits will be same as those of the Prophet(SAW) but the features will be different, and he will fill the Earth with justice.

The above two hadith tell us that Imam Mehdi's name will be Mohammed bin Abdullah, and he will be from the progeny of Hassan(RA), and he will subdue the Arabian Peninsula, and fill the earth with justice in the End Times scenario. Further in a hadith narrated by Umm Salma(RA) in Mishkat, vol. 3, page 31, hadith 5220/20, from Abu Dawood, **Ref#33** says: she heard the Prophet(SAW) say that a (Saudi) king will die and dispute within the royal family will erupt. A man will run from Medina to Makkah where people will pledge allegiance to him even though he will not like it. He will be Imam Mehdi. A Muslim king of Bilad-us- Sham will send an army to kill him. Allah will sink that army in the earth between Medina and Makkah near a place called Baida. On hearing the news, the dictators of Iraq and Sham will come in numbers and pledge allegiance to him. In my opinion current king will not attack Imam Mehdi although his followers will be unarmed. An army of fourteen thousand strong will come to the aid of the Imam from Aden in Yemen. Another person whose mother's family will be from

Through the personality-cult built around the Assad family, the Muslims of Syria have been denied self rule.

dispute within the royal family will erupt. A man will run from Medina to Makkah where people will pledge allegiance to him even though he will not like it. He will be Imam Mehdi. A Muslim king of Bilad-us- Sham will send an army to kill him. Allah will sink that army in the earth between Medina and Makkah near a place called Baida. On hearing the news, the dictators of Iraq and Sham will come in numbers and pledge allegiance to him. In my opinion current king will not attack Imam Mehdi although his followers will be unarmed. An army of fourteen thousand strong will come to the aid of the Imam from Aden in Yemen. Another person whose mother's family will be from

the Kalb tribe will send an army to fight Imam Mehdi. Imam and his followers will be victorious over them. Imam will implement the shariah of Prophet(SAW). He will live for seven or nine years. After the death of king of Saudi Arabia, the rift in the Saudi family has emerged, two crown princes have been replaced. The sign of all signs for Imam Mehdi will be the sinking of the army at Baida. Question arises who will send that army to kill Imam Mehdi. In my opinion it cannot be the president Bashar-al-Assad of Syria, due to these reasons:

- 1) Bashar is not a Muslim ruler, a) because his people are prostrating to him, and b) he is from Alvi sect who claim Ali(RA) is god in carnation.
- 2) He cannot send an army to Saudi Arabia because his army has been weakened due to desertions and casualties. Secondly his army is still engaged in war with the mujahideen.
- 3) US will not allow Bashar to send his army to conquer Saudi Arabia and its oil reserves, because he is Russia's ally. Recently Russia has sent arms to Syria to aid Bashar and is also bombing the mujahideen.

Similarly, it cannot be the mujahideen.

- a) According to Americans the strength of mujahideen is 20 to 30 thousand and their movement has been restricted.
- b) They are being bombarded by some six, seven nations. If they bring their men out for assault on Saudi, they will be the sitting ducks for the alliance's air force.

Question arises than who is that king? In my opinion the country that will send its army is none-other than Jordan, which was part of Bilad-ush-Sham at the time of Prophet(SAW). The current king calls himself Hashmi and

thinks he is Mehdi. His army is the strongest army in the region. When he sees that his throne is at stake, he will send his army with the consent of the Americans to kill Imam Mehdi, and it will be sunk in the earth at a place called Baida.

As narrated by Abu Saeed Khuzri in Sunan Ibne Majah, vol. 3, hadith 964, **Ref#34**, which says that the Prophet(SAW) said a Mehdi (the guided one) will be born in my Ummah, his minimum reign will be seven years and max nine years. During his reign wealth will be in abundance, and every person will be well off. A man will ask for some wealth. He will tell him to take as much as he can. This in my opinion will happen because the wealth of the earth (gold, crude oil etc.) will be distributed amongst the people, not absconded by the rulers and the dajalli states **وَاللَّهُ أَعْلَمُ بِالصَّوَابِ**.

Conclusions on Imam Mehdi

Imam Mehdi will defeat one million armed forces of NATO and will rule the world with justice; wealth will be in abundance most probably the petro income will not be amassed by a person, cult or family. It will be distributed amongst the masses.

Concluding Hadith and Comments

Abu Saeed Kuzri in Mishkaat, page 32, hadith 5223/23, from Trimzi, **Ref#35**, narrates that Prophet(SAW) said the End Time will not occur until predator animals, lashes and the shoelaces will talk, and the thighs of a man will tell him what his family did in his absent. This hadith in my opinion is amazing. In a recent documentary where scientists were experimenting on animals, to enable them to understand their language, they claim they have achieved some success. Similarly, today the shoes and tiniest toys and gadgets talk.

There are even toys that will start talking as soon as you cross them. Their photo censor detects the change in the light and starts its routine. The thighs of men will tell them what their family was doing in his absent. In my opinion, it is the mobile phone placed in trouser pockets (near the thigh). Family members may tell him what they are doing or where they intend to go on the phone. The mobile phone could also be connected to the monitoring cameras in the house to monitor his family. With the cost of making a call nearly free, monitoring your family or staying in contact is easy. **رَا اللّٰهُ اَعْلَمُ بِالسَّوَابِ**

Another hadith which related to Dajjal's system in the End Times is narrated by Jabbar Bin Abdullah(RA) in Mishkaat, vol. 3, page 33, hadith 5227/27, from Bahiqi, **Ref#36**, narrates that Prophet(SAW) said that locust will first disappear and then other animals will become extinct, one after the other, just like beads from a necklace fall one after the other. What a hadith today the locust is nowhere to be found. In the above hadith Umar(RA) was very upset when locust attack did not occur after a year. He sent emissaries in all direction to search for locust and when locust was presented to him, he took sigh of relief. This was because he got scared of the implications of this hadith. Today spraying pesticides with the donkeys of Dajjal have wiped out the locust and driven us to the End Times. Few weeks back I was listening to a documentary which said that animals are becoming extinct. Subhan-Allah! May Allah protect us from the torment of The Day! Ameen! **رَا اللّٰهُ اَعْلَمُ بِالسَّوَابِ**

A breeze that will collect the souls of the believers. No believer will be left on the earth.

Eventually the Dooms Day is established upon the worst of people, who copulate like donkeys in public. Blowing of the trumpet. The Quran says: *Then do they await, except that the hour should come upon them unexpectedly? But already there have come (some of) its indications. Then when it has come, what good to them, will be their remembrance (47:18)?*

O' Muslims we are most probably living in the End Times. The scholars of bible are beating the drums of war. Dabiq is in their mind. They are calling for their armies to land in Dabiq and defeat the Muslims. According to them this will kill our prophecy and Islam will vanquish. They have taken steps to motivate their public to wage war on Islam with incidents like 9/11, Paris blasts etc... Way is being paved for the one million army of Rome (Western Nations) to start their march towards Amakain Turkey. Hold steadfast to the teachings of Quran. Islam has prevailed and Islam will prevail against all odds. The Roman forces will be defeated; this is destined for them. *O' Allah protect us from the*

torment of the hours ahead and let not our belief in You diminish from our hearts. O' Allah destine for us that we die as solemn Muslim, and O' Allah destine for us that when death approaches us, we bear witness to Your Oneness. O' Allah we are pleased with You as the provider of our sustenance, and we are pleased with Islam as our religion, and we are pleased with Mohammed(SAW) as our Prophet and guide. O' Allah the Most Merciful, we thank You for imposing on Thyself what Thou have written on Your throne, that Your mercy will overcome Your anger. O' Allah forgive us in this world and in the hereafter and be pleased with us and make us from the dwellers of Your Paradise. Ameen!

O Muslims, the Prophet(SAW) told us to hold on to the Book of Allah, which is the law between us. It is this book that passes the verdict between us. When Muslims think their honour lies somewhere else, then Allah will disgrace us. The Arabs were considered lowest of the low by the rest of humanity in the old times and then Prophet Mohammed(SAW) came, he transformed them with the Book of Allah. He(SAW) brought impetus and drive in his companions with Quran and made them the best of people that walked the face of the earth.

O' Muslims, for other people other philosophies will work, but for Muslims nothing besides Islam will work. Allah articulated about this Ummah in Quran that "you are the best of people out of the mankind; because you call people towards righteousness and forbid the evil". This is why no ideology will work for us. The only time when Muslims were respected in the whole world was, when they followed the religion of Allah. When Muslims turned away from the religion of Allah, Allah turned away from us.

Today we find ourselves in decadence because we have let go of the religion of Allah. Look at the state of the Muslims, every Tom, Dick and Harry picks on us, because we are nothing more than the foam on the sea, or food on the table. Until we turn back to the religion of Allah, we will remain in this state.

Do you know what causes sea sickness? It is when, on rocking of the ship the ear sends signals to the brain that something is wrong, and the eyes send the signal that everything is fine. With two confusing messages reach the brain, the brain gets confused, and consequently we feel sick and we vomit. The remedy is to come up to the top deck and look at something totally straight like the horizon. Then all the confusion is removed.

Similarly, there is only one remedy for the Ummah of Mohammed(SAW), and that is to hold tightly to the book of Allah, which has no crookedness in it. Our hearts and minds will get focused, and we will no longer feel sick. Allah says in Surah Al-Kahaf that All Praise be to Allah(SWT) who has revealed to his servant (Prophet(SAW)) a book, and He has left no crookedness in it. Until we return to the Book which has no crookedness, we will stay in the state of confusion where we find ourselves today.

May Allah(SWT) make us from amongst those who follow the Quran and the sunnah of the Prophet(SAW). May Allah(SWT) make us from amongst those who at the time of fitna, turn back to the book of Allah. May Allah(SWT) keeps us united in this dunya and reunites us in the Junnah-ul-firdous (Paradise) in the hereafter. Ameen

Ibn Umar(RA) narrates in Sunan Abu Dawood, hadith 923 that Prophet(SAW) with his companions which included Umar(RA), passed by Ibn-e-Siaad. He was playing with the boys near the castle of Bani Mughala. He was unaware of the presence of the Prophet(SAW), until he(SAW) patted his back, and said “do you bare witness that I am Allah’s messenger”. The narrator said that Ibn-e-Siaad looked at Prophet(SAW) and said, I bear witness that you are the prophet of the illiterates and then asked whether he(SAW) will

bear witness that he is Allah's prophet. The Prophet (SAW) replied that he has already believed in Allah and His messenger.

The Prophet (SAW) then asked him, what comes onto you? He said, truth and falsehood come to me. Then the Prophet(SAW) said that your matter has become doubtful. Then Prophet(SAW) said to him that he(SAW) has hidden something for him and started to recite in his heart. Ibn-e- Siaad said that hidden thing is "dhukh" and could not tell the full word dukhan. Prophet (SAW) said you cannot exceed the limits so get aside. Umar(RA) requested that he may be given the permission to chop his head off. Prophet(SAW) said if he is Dajjal than you cannot kill him (because he can only be killed by Jesus(AS)) and if he is not Dajjal than there is no good in killing him.

Who so ever finds Dajjal should recite first ten verses of Surah Al-Kahaf; it will prevent him from the trials of Dajjal. We asked him (SAW) how long will he stay on the earth. He replied forty days, one day like a year, one day like a month, one day like a week and rest of the 37 days like our days. We asked whether one day's prayers will be enough for the day like a year. He replied no, rather observe the day. Then Jesus will descend on white tower of a mosque in east of Damacus. He will kill Dajjal at Ludd.

Nawas bin Samaan Al-Kalabi(RA) reported that one day in the morning, the Prophet(SAW) made the mention of Dajjal and his verminous nature (he is blind in one eye and that his status in the eyes of Allah is very low), He sometimes described him to have

extra ordinary powers (his turmoil will be tough and will show things against the norm), so much so that we felt as if he was in the cluster of the date palm trees. It was due to the way the Prophet(SAW) described him. When we went back to the Prophet(SAW) later that day, he(SAW) saw the signs of fear of Dajjal on our faces, he asked: What is the matter with you? We said: Allah's Messenger, you made a mention of the Dajjal in the morning sometimes describing him to be of low status and sometimes very powerful, until we began to think as if he was present nearby in part of the cluster of the date trees.

There upon He(SAW) said: I harbour fear about you in so many other things besides the Dajjal. If he comes forth while I am amongst you, I shall counter him on your behalf, but if he comes forth while I am not amongst you, a man must contend on his own behalf, and Allah is care taker of every Muslim on my behalf. Remember, Dajjal will be a young man with curly hair, and blind in one eye. I compare him to Abdul Aziz bin Qtan. He who amongst you would survive to find him should recite over him the opening verses of Sura Kahf. He would appear from Khala a way between Syria and Iraq. And he would spread mischief in countries bordering right and left. O servant of Allah, you should stay steadfast on your religion.

We said: O Allah's Messenger, how long would he stay on the earth? He(SAW) said for forty days, in which one day will be like a year, and one day like a month, and one day like a week, and the rest of the days would be like your days. We asked: O Allah's Messenger, would one day's prayer suffice for the prayers of day like a year? Thereupon he(SAW) said: you should make estimate of the time and then preform the prayers. We said: O Allah's Messenger, how fast would he walk on the earth? He said: Like cloud driven by the wind, even faster.

He(SAW) further said that he would come to a nation and call them to follow him, and they would affirm their faith in him. He will then command the sky to rain on them; he will order the land to grow crops. Then in the evening, their posturing animals would come to them with their humps very high i.e. fattened, and their

udders full of milk, and their flanks stretched. He would then come to another nation and invite them towards him; they will not listen to him. They will reject his godhood. Dajjal will leave, and in the morning drought will grip their country and nothing would be left with them in the form of wealth. Dajjal will pass over a barren waste land and say to it: Bring forth your treasures, the barren land will unearth its treasures and the treasure will follow him just like the swarm of bees follow their queen. He would then call a person brimming with youth and strike him with the sword and cut him into two pieces, and distance each piece, at a distance which is between the archer and where his arrow falls. He would then call the young man by his name, and he will revive and come forward laughing with his face glowing with happiness.

Dajjal and his nations will be in this state, when Allah will send Jesus Christ(AS), son of Mary(AS), and he will descend at the white minaret in the eastern side of Damascus wearing two garments lightly dyed with saffron with his hands on the shoulders of two Angels. When he would lower his head, perspiration will fall in droplets from his head, and when he would raise it up, perspiration will fall like pearls. Every non-believer who would smell the odour of his breath would die and his breath would reach as far as he would be able to see. He would then search for Dajjal until he would catch hold of him at the gate of Ludd and would kill him.

Then the people whom Allah had protected would come to Jesus, son of Mary, and he would wipe their faces and would inform them of their ranks in Paradise and it would be under such conditions that Allah would reveal to Jesus these words: I have brought forth from amongst My servants such people against whom none of you would be able to fight; you take these people safely to Mount Toor, and then Allah would send Gog and Magog and they would swarm down from every slope. The first phase of them would pass the lake Tiberia (Galilee) and drink from it. And when the second phase would pass it, they would say: There was once water here. Jesus and his companions would then be besieged at Toor, and they would be so hard pressed that the head of the bull would be dearer to them than one hundred dinars and Allah's Apostle, Jesus, and his

companions would supplicate to Allah, Who would send to them insects which would attack their necks, and in the morning they would all perish like a single person.

Allah's Apostle, Jesus, and his companions would then climb down the Mount Toor and they would not find on the single hand span of space which is not filled with their putrefaction and stench. Allah's Apostle, Jesus, and his companions would then again pray to Allah, Who would send birds whose necks would be like those of Bactrian camels and they would carry them and throw them where God willed. Then Allah would send rain which no house could keep it from entering it and it would wash the earth and would look like a mirror. Then the earth would be told to bring forth its fruit and restore its blessing, and as a result thereof, there would grow (such a big) pomegranate that a group of persons would be able to eat that, and seek shelter under its skin.

The she camel would give such large quantity of milk that couple of tribes would be able to drink from it. A sheep would give so much milk that it can feed a small tribe. At that time Allah would send a pleasant wind which would touch under their armpits, and take the life of every believer, and only the wicked would survive who would commit adultery like asses and the torment of the Last Hour would come to them.

Fatimah-bint-Qais(RA) reported, "I heard the muezzin call for congregational Prayer. I went to the mosque and prayed with the Prophet(SAW). When he(SAW) finished his prayers, he sat upon the pulpit smiling and said, "Let every man remain seated." He then asked, "Do you know why I have called you together?" They replied, "Allah and his Messenger know best." The Prophet(SAW) said, "By Allah, I have not called you together for hope or for fear, I have called you to tell the story of Tamim ad- Dari(RA). Tamim ad-Dari who was a Christian, who had reverted to Islam, He informed of a news, which agrees with the account I had given to you about the Dajjal.

He informed me that he had embarked upon a ship with thirty men of Lakhm and Jozam tribes. Then the sea waves played with them for a month and threw them on an island at about sunset. We boarded a small side boat and landed on the Island. A beast with very coarse hair met them. They could not tell its front from its back due to its excessive hairs. They asked who are you? He replied, "I am a spy. Go to this man in the monastery, as he is eager to receive the information you bring".

Tamim Dari said when it named a man for us, we fled away from it lest it might be the devil. Then we hurriedly went on until we

entered the monastery and found a horrifying big-bodied man whom we had never seen before. He was firmly tied up, his hands tied to his neck, the place between his knees, and joints tied up with iron chains. We asked, "who are you?" He replied, you have found me and now know me, I will tell you about myself after you tell me what I want to know. They replied, "We are people from Arabia, we embarked on a sea boat, the sea waves played with us for a month and threw us onto this island. A beast of coarse hairs met us and said, "I am a spy, go to the man in the monastery." So we approached you hurriedly. He asked, "Tell me about the trees of Baisan. Do they bear fruit?." "Yes", We replied. He said, "Behold! Soon they will not yield fruit." He asked, "Inform me of the lake of Tiberia. Is there water in it?" We replied, "It is full of water." He informed us, "Soon its water will disappear." He then asked, "Inform me of the fountain of Zegarra. Is there water in it and do its inhabitants irrigate with the water of the fountain?" We said, "Yes, it is full of water and its inhabitants irrigate from its water". **He said that soon it will dry out.** He then asked, "Inform me of the Prophet of the illiterates. What does he do?" We said, "He has just come out of Makkah and gone to Yathrib." He asked, "Have the Arabs fought with him?" We replied, "Yes". He asked, "How did he treat them". We informed him that he has the upper hand on those Arabs who opposed him, and they obey him". He said, "Behold! It is better for them if they obey him. As for myself I am certainly the Dajjal and it is near when an order will be passed for me to come out. I shall then come out and travel the world. I shall leave no village at which I shall not land within 40 nights except Makkah and Taibah, which will be forbidden to me. Whenever I wish to enter one of the two, an angel with a sword in his hand will encounter me and prevent me therefrom. There will be angels on every side to guard it. The apostle of Allah(SAW) struck his pulpit with his staff and said, "This is Taibah, this is Taibah meaning Medina".

Hazrat Asma bint Yazeed(RA) narrates that Prophet(SAW) once came to my house and there He spoke about Dajjal. He said before the emergence of Dajjal there will be three spells of drought. In one year the skies will withhold one third of its rains causing the earth to withhold one third of its produce. In the second year the skies will withhold two thirds of its rains causing the earth to withhold two third of its produce. In the third year the skies will withhold all its water and there will be no crops that year. All animals be they hooved or toothed will die as a result. The greatest evil of Dallaj will be to approach a villager and ask him “If I bring your camel back to life will you then believe that I am your lord?” This person will reply “yes.” There after devil (from the many devils who will be with dajjal) will appear before this person in the form of his camel with a fat hump and fully laden udders.

Likewise Dajjal will pass by another person whose father and brother have passed away, and say to him, “If I bring your father and brother back to life will you believe that I am your lord?” This person will reply “yes.” Devils will once again take on the appearance of his father and brother. Hazrat Asma bint Yazeed(RA) narrates after saying this the Prophet(SAW) went away to fulfil his needs and came back a while later. People after listening about the Dajjal, were sitting in awe and fear of him. Prophet (SAW) held both ends of the door and said” Asma how are you?” I replied O Messenger of Allah your mention of Dajjal has filled our hearts with fear.

Prophet(SAW) said “If he comes forth while I am among you, I shall content with him on your behalf but if he comes forth while I am

not amongst you then Allah will take care of every Muslim on my behalf". I said, O prophet of Allah we don't even finish mixing dough and bread, and eating it that we start feeling hungry again. What will be the condition of the believers in that drought? Prophet(SAW) said that, that the remembrance of Allah(SWT) will relieve their hunger, it is what relieves the hunger of the ones in the heavens.

We entered the monastery and found a man he was firmly tied up, his hands tied to his neck, the place between his knees, and joints tied up with iron chains and jumped between the skies and the earth. We asked, who are you. The man replied, "I am Dajjal."

So they will wreak havoc on the earth, and the Muslims will take cover in their cities and fortresses, taking their herds with them. And they (i.e. Yajuj and Majuj) will drink the waters of the earth until one of them passes by a river, then they will all drink from it until they leave it dry, until one who comes after them will pass that river and say: "There was once water here. "Then, when there is no one from the people remaining except that he has gone to a fortress or a city, one of them will say: "We have finished with the inhabitants of the earth, now only the inhabitants of the heavens are left." He said: "Then one of them will shake his spear and hurl it into the sky, and it will fall back down again soaked with blood, as a trial and test for them. So while they are like that, Allah will send a worm in their necks like an-naghf, which will eat its way out of their necks, so that they will all fall dead, and no sound will be heard from them.

So the Muslims will say: "Is there any man who will risk his life for us to see what this enemy is doing?" He said: "So a man will stand up to do that, seeking Allah's reward, feeling that he will surely be a dead man. So he will go down and find them all dead, lying on

top of each other. So he will call out: "O Muslims! Receive the good tidings that Allah has sufficed you against your enemy!"
