

Thank You O' Lord

Lord of my heart, all my thanks are Yours,

O Allah, all my praise and gratitude are Yours.

Through learning and care my father made me Yours,

O Allah, all my praise and gratitude are Yours.

“If you thank Me, I shall grant you more,”

O Allah, all my praise and gratitude are Yours.

My mother taught me prayer and the Quran's light,

O Allah, all my praise and gratitude are Yours.

My wife and children are my soul's true flight,

O Allah, all my praise and gratitude are Yours.

You have adorned my life with gifts beyond doubt,

O Allah, all my praise and gratitude are Yours.

From the mire of sin, You lifted me out,

O Allah, all my praise and gratitude are Yours.

“If you thank Me, I shall grant you more,”

O Allah, all my praise and gratitude are Yours.

I was without action, You taught my soul to pray,

O Allah, all my praise and gratitude are Yours.

You taught me how to read Your Word the living way,

O Allah, all my praise and gratitude are Yours.

From lies and backbiting, You kept me away,

O Allah, all my praise and gratitude are Yours.

You softened the hardness that darkened my way,

O Allah, all my praise and gratitude are Yours.

“If you thank Me, I shall grant you more,”

O Allah, all my praise and gratitude are Yours.

From hatred and from rancor, You saved my soul,

O Allah, all my praise and gratitude are Yours.

You taught us kinship's bond, compassion's role,

O Allah, all my praise and gratitude are Yours.

By sending the Prophet, You saved us from despair,

O Allah, all my praise and gratitude are Yours.

My Prophet stood in prayer till his blessed feet sore,

O Allah, all my praise and gratitude are Yours.

“If you thank Me, I shall grant you more,”

O Allah, all my praise and gratitude are Yours.

From every blessing You bestowed, I gained my share,

O Allah, all my praise and gratitude are Yours.

Please shape Haleem into a grateful servant by Your care,

O Allah, all my praise and gratitude are Yours.

“If you thank Me, I shall grant you more,”

O Allah, all my praise and gratitude are Yours.

I bow in thanks for all You bestow and store,

O Allah, all my praise and gratitude are Yours.
